and Pumps, Markdale, Ont. If you need -pump of any kind, and will favor me wit your order, I will guarantee to give satisfation every time. I can suit you in eithe Iron, Brass, Porcelain, or Galvanized Iron. TERMs—Repairing cash; new work sho date approved notes if desired, Below I give a few testimonials:

Dear Sir,—The two pumps you put in forme are giving me splendid satisfaction (or of them 66 ft. deep, the other 23). I am we pleased with them. SATISFACTION AT LAST .- This is to certi

that I have had great trouble and expen

with my well (55 feet dcep) in regard to pum

until I got Mr. J. Artley to overhaul since then I have had entire satisfaction. I little boy, six years old, can pump with ABTHUR JOHNSTON, Vandeleur.

June 16th, 1890.

Dear Sir,—Your favor to hand quirl how we got along with the Wind Mill.

might say we had no difficulty in putting together. It is working a plendid. The put does its work all right. I like the working the Victor Wind Mill very much. It gover itself nicely in a high wind, and I think it more durable than a wooden mill. N. DUXBUUY, Meaford June 23, 1890,

TO JEFFREY ARTLEY, Sir,-The pump I purchased from you 87 foot well gives complete ratisfaction.

works with the greatest ease, for the quant of water delivered, of any pump I have o tested. I believe it is constructed on a sim and durable principle and not liable to out of order. I sould not wish for a be pump, and can, with the utmost confider Wishing you every success I remain, yo J. W. SPROULE, Markdale

MR. J. ARTLEY, Dear Sir .- In reply to your's of the 1

inst., I would say that the pump you pu for me has proved very satisfactory, it be durable and very casy to work. En de please find \$5, balance for pump. JANES JOHNSTON, Flesherton
