A vonug man named Geo. Russell, while helping to raise an old house at Wiarton on Wednesday of last week, was crushed to death under the build ing through the props giving way. His home was in Port Elgin.

Mrs. Beers, a laurdress at Owen Sound, was delivering some work on board a boat one night last week and on returning to shore stepped off the gang plank in the dark, falling into the river. She was rescued, but it was a close call. The water is very wet just at that spot.

Ministers' sons came to the front in the great crimmal trial at Woodstock. Mr. Osler is a son of the Rev. Canon Osler, formerly of Dundas. Mr. Blackstock is the son of a retired Methodist minister. Mr. He'muth is a son of the well-known Episcopal divine of that name. The old slauder that ministers' sons never amount to anything is not true of Ontario. It never was true anywhere.-Canada Preshy. terian. Birchall is a sen of an Auglican clergyman.

Mr. R. S. White, M. P. for Cardwell, left his home in Montreal some three weeks ago in order to hold a series of public meetings through his constituency, but was seized with an affection of the throat together with symptoms of diphtheria, and was confined to his bed at the Queen's Hotel, Ora gev.lle, for several days. His wife came to wait on him and Dr. Henry prescribed. A week ago he was so far recovered as to return to Mon treal, but his Cardwell meetings had to be caucelled.

A POOR UNFORTUNATE. - On Tuesday afternoon of this week, while Mr. J. H. Campaign was driving along the road leading north from Loucks' mill, his dog began making a fuss. Upon dismounting and entering the bush to find the cause, he discovered lying between two cedar trees the emaciated body of a young woman, probably 25 years of age. At first impression he thought her dead, and went for Mr. Loucks' assistance. Upon return, and after considerable effort, they succeeded in

awaking her, when it was found that she was unable to walk. She was as sisted to the buggy and driven to Mr. Loucks' residence and taken care of. It is supposed that she lay out in the storm all night on Monday, as her clothing was completely saturated. She gave her name as Maria Irwin, of Walter's Falls, and explained the cause of her terrible condition by saying that she lost her way, took sick and was unable to go further. Dr. Christoe is waiting upon her.-Flesherton Ad-

Did you ever stop to think that McFarland buys the bulk of his goods direct from the manufacturers and for spot cash? What does that mean? It means a saving of the wholesalers' profits, and cash means the closest bed-rock prices.

Some leather is mean. Some workmen are mean. Some bootsellers are mean. That's how mean boots get made and sold Six out of every ten pairs of hoots are shams, pasted stock, shoddy pancakes. Never was a time when shoes looked so well and wore so badly until the shoeing of a whole family has come to be a serious task. A poor pair of boots is a bad investment. If you want good, honest, solid foot wear just drop into McFarland's. His stock is fully complete from the finest to the coarsest. Women's, Men's, Girls' and Boys'.

We will take your cash or produce and give you rattling good value in exchange. Come in anyway and look around and see one of the busiest stores north of Toronto.
