Constans' unfaithful subortlight was completed. Boulanger thus left

the unfinished fortress a number of rifles and guns. On the night of August 9 a solitary sol dier was left to guard the fort. During the night a crowd of natives, which included large number of Malay women, attacked the fort, killed the guard, and took possession of the rifles and guns. Then the armed mob made an attack on the town at daybreak and before the rebellion was quelled 32 Spaniards were massacred. No foreigners except Spanish missionaries, were injured. Several. American missionaries have been publicly rewarded for saving the lives o of prominent Spaniards, who took refuge in the homes of the missionaries

Mixed Marriages.

La Semaine Religieuse, of Quebec, publisl es the following in regard to mixed marit was found impossible to induce farmers to take, upon the terms exacted, the farms It is ascertained that mixed marriages hat is marriages between Catholics and Protestants—have deplorable consequences most everywhere. At the time of marriage the Protestant husband or wife promises all that is demanded by the Church, namely the Catholic education of their children. But these promises are hardly ever kept Either through negligence or bad faith on the part of the parties, these mixed marriage generally end in the Protestant education of the young family. Such examples are n but one remedy to the danger of mixed riages—there is more severe matrimo legislation, and it is not improbable that we may have it ere long. Rome has 'asked the bishops to give the exact number of leads us to believe that the matter is under consideration. Nowadays neither the energy of parents nor the good faith of married ouples can be relied upon. The moment parents know that their children can longer be allied to Protestant families without apostatizing, they will be more vigilant and more cautious. It is probable that a few will not heed this, but the majority will submit to the ecclesiastical law, and thereby preserve the Catholic faith of man

STRANGE

A Thrilling Story CHAPTER XV. BAFFLED !

That press the soul, or wring the mind wi Beyond comparison, the worst are those Which to our folly or our guilt we owe. " Moore," said the Major-"I want down here. Do you mind driving the "Not a bit, Sir," answered Moore pro

So the Major got down and the other the reins and drove off. Major Dennis ed eagerly to Trevor, who was waiting an impassive face to hear what would "Who is it, Trevor? Anyone you ki

the Major asked. "No, Sir-I have never spoken to lady," the other answered, then added know her by sight. She is not an En "And she-is it Valerie?" he gasper "Yes, Sir, I believe it is," Trever an ed. He felt an unutterable and mer contempt for his superior, nor did he be for a moment that this Mademoiselle V. neither was nor ever had been anythi

him. For Dennis's own sake be sure Jack Trevor would not have lifted a time stop the most scandalous scene in the v He had acted as he had done entirel Ethel, for Ethel only, wholly and solel cause she always shrank with such h from the very idea of a scandal and a s and because he felt that with her a pri in her bedroom as she was, the situation one which might become a dangerous any moment. "And Ethel--?

"I was sitting with her, Sir, when the lady came; and I whispered to b get into her bedroom and lock the doc believe she is there yet. " And that woman in the drawing ro the Major cried. "I left her there," returned Trevor hard wooden voice. "Then she must be got away. She be turned out of the camp," Major 1) "Hadn't you better see her, Sir, at

it over? " Not for the world." "She may want nothing very import a mere trifle," Trevor urged. " More likely she's got an inferna chine or a bottle of vitriol to throw face," retorted the other sharply. ever, I'll go round and give orders He strode away leaving Trevor sta looking after him; then he sudden thought himself that he would like t the end of it all, and forthwith set off

direction of the Major's quarters as qu as was possible without breaking into Major Dennis had disappeared in time that Trevor got within sight quarters so that he did not hear the quent altereation between the strainer and the soldier-servant, Judge. That stolid person, after having his orders from his master, went into the tiny drawing room and the dressed himself to the lady? "If you please, Mum, Major Dennis me say that he is not able to see you "I will wait," said the lady without

" Major Dennis will not be home to-Mum, "Judge added "No matter -I'll wait till he floes of " Begging your pardon, Mum, but can't wait here," said Judge, with deli-"Oh! ves. I shall." "Begging your pardon, Mum, but I' my orders and I can't let you wait her repeated. " Indeed! And how can you preven "I have but to step up to the good

to have a file of men down here in two utes," answered Judge with great url -"and though I'd be sorry to treat a with any disrespect, I've got my o Mum, and I've got to carry them out. . Thus cornered the lady very relact rose from her seat on Ethel's favourit tee. "Well," she said, "I have he great deal about the chivalry of your lish soldiers, and when I come to Vi-English officer, I am turned out of

But it was only wasting breath to about chivalry to a stolid block of a servant, who had got his orders and Sold by the Principal Boot carry them out at any cost. Madenie Valerie did not realize that though would have promptly knocked dow thrashedalmost toa jelly any man that i ill-using a woman, yet he had no com tion whatever, in her case, of convey master's message to her in all its plan and uncompromising ughness . She out of the hut therefore without fuethe and Trevor from a distance saw her in the direction of the town. "Beaten again," she muttered a

passed the great gates. "I suppose why he chooses to live in that but little wooden cabin he knows be a ways escape in among his great but solders. Bah! I never thought I con baffled by a great fool like Dennis. When the stranger had fairly gone. Dennis sent Judge across to Mr. Ti quarters to ask him to come over but went to mess. And when he was d Trevor did so and found the Major a the little drawing room. "Trevor, my dear fellow," said the with boisterous heartiness, "I can ! you enough for having spared me from ing in unawares on that woman this

noon-I'm awfully obliged to you." "Don't speak of it, Sir, said Jack stiffly. "I wished to save Mrs. Dert annoyance that was all." "Then she shall thank you herself. - there's one thing I want to say what you must think of this mys lady who is paying me such attention "I have no right to tlunk about it Sir," put in Jack frigidly "But I wish you to do so, rejoin Major - because you could from a

that she was never anything but a enemy to me-never. "She does seem bitter enough," sal relaying and yet in a very scornful to "By Jove, yes," said the Major, pon my word, if she follows me up and my life a burden to me in London as done here, I shall have to buy a vachi only safe way of getting rid of her he went to the door of the bedroo called, "Ethel, Ethel, I want you am "Yes," she answered, and came on ing with surprise when she saw Trevo "Trevor tells me he only came to th

knowledge-only have one opinion

subject. But I give you my word of

and warned me that he might save y noyance. So perhaps you will thank Mrs. Dennis went with outstretches to Trevor. "Jack, you were very get said earnestly. "Thank you so my She knew as well what his eyes m if he had spoken in plain words. H. said "This man is not true to you,

ill-uses you, you carry the marks of lence on your body at this moment do you not set yourself free from him have the power, why do you not t She cast a piteous look back at him say -"Do not put such an idea into i -don't tempt me! "Trevor," said the Major at that ! "you're a good sort. Ill never for good turn you've done me to-day. ber, whether it's a flat or a yacht, y was be welcome in it isn't t

"Always," said Ethel faintly; and one word. Trevor's short-lived hope piness in the near future, died. For s in those few moments, he realized th would never willingly go in for a against her husband. It was a ter to her, just as his first proposal fl should go away together, had be she had been brought up with a t anything approaching to a public and even in the face of overwhelming tion, the shrinking from the very fa vorce clung to her still. So in the of a look he gathered that, in spit

love dragging always at her hear she would, unless Major Dennis parent, carry the burden of her se After this the Dennises were s

and their place in the Fifteenth kn There was a sale of the and fittings of their hut, which a really the one apportioned to the c ing officer, was an unusually good then, as the Colonel was still living the next senior married officer c possession of it. This happened to cleeful over the change. I don't like to say much, Mr.
