CROSERIES

It is an established fact and the universal opinion of our numerous patrons that our Teas, for

Quality, Flavor and Price!

are superior to any offered in this section. We take care in selecting them and sell none but New Season's Teas, purchased in large quantities for cash, consequently we acknowledge no competition.

We have just received an immense consignment of our justly celebrated brand of Japan Tea, known all over this section of country as the famous 28c. Tea. It has an established reputation which is increasing every day.

that the Grange promote such enterprise as much as possible where co-operation in such things as our peculiar privilege. Your Committee would also advise that you go into one neighborhood, more than one class, as it is well known that dealers can quickly make up a cargo if it is wanted in the matter of horses or other classes of stock, and as your committee want for horses at good prices for all classes will be remunerative. The same advice will apply to a certain degree to cattle and other kinds of stock, leaving it to each member to consider their particular kinds of stock. EDUCATION.—We, your Committee, report on this important subject will in consequence congratulate the Grange on its suggestions and suggestions to Educational Department by discussion in the subject. We still want more information, what will place the farm school with other processes based on report on this subject brought before the Provincial Government. We wish to carry out your wish by an appeal to the Government to give us a grant, but recently made changes in our favor, do think the educational machine might be more expensive, yet as efficient. We could also again
