There was a full attendance and the business transacted with great harmony and satisfaction. The minister's salary was made up in full. There is a sincere feeling of regret at having to part with the Pastor, Rev. Mr. McDiarmid, his allotted three year term being almost terminated. His ability in the pulpit, and broad Christian spirit, his business tact in regard to the legal and financial affairs of the church, and his genial off-handed manner together with that of his amiable wife, in visiting, and other social intercourse, has created for him a strong attachment on the part of his congregation, and a high respect by all. The board passed a resolution to have a financial statement printed, showing the contributions of each individual who has given towards the various funds, and the expenditure of the same.

 Your correspondent read to-day in the last issue of the Journal with feelings of deep regret the death of an excellent lady, the sincere, though indulgent, friend of his boyhood, and his firm and earnest adviser in later years. I refer to the late Mrs. James Douglas of Lansdowne. All the old Lansdowne boys—and there are many of them in Gannaque—must remember this good lady, her kindness, her straightforwardness, her industry, her economy, her earnest advocacy of all that is noble and good, her vehement denunciation of all that was base and evil. She was typical of the good woman, and her death will cause a blank in the neighborhood in which she dwelt.—Gannaque Journal.
