Ram Lal's PURE INDIAN TEA
GUARANTEED ABSOLUTELY PURE AND MANUFACTURED IN THE GAROONS IN INDIA.
THE GROWERS AND BLENDERS OF RAM LAL'S TEA ask you to give them a fair trial for the following reasons:
1st. They are absolutely pure.
2nd. They are grown and prepared on the estate by the most skilled labor and improved machinery that money can buy, whereas China Teas are picked and carried by natives long distances before being made ready for the market.
3rd. Ram Lal's is a blend of three Teas grown and prepared especially for this brand. Will always be the same flavor, to-day to ten years hence.
4th. 'Tis cheap, only Fifty cents for a pound package which will go as far as two pounds of China or Japan Teas.
When giving Ram Lal's a trial, if the first cup does not strike your palate, try a second, and you will find that it is a far better tea than the first. After using a pound you will only drink Ram Lal's Pure Indian Tea from householder to householder.
For sale by
W. J. McFARLAND.
We have appointed W. J. McFarland, Esq., as our exclusive agent in Centre Gray for the sale of our celebrated Ram Lal's Tea.
