The air will be full of noise, says the London-Broad Arross, sharp, crisp, ratting belowing domains one committee the full war opening from many quarters of control of the first and th

from which the liquor has been drained, and every atom of shell removed. Mix well and stuff the turkey sewing it his circled year and find turn it on its back, place the legs and find lions in a natural position, skewer them down with a strand of white thread.

Rub all over with soft butter, sprinkle

the Chinese are practically separate lainguages; whereas English is one and the same throughout at Manchester and Melbourne, Chicago and Calcutta. The widless spoken in corpus, at any rate, is unquestionable English. More than a third of the whole human area of issunder the direct influence of the English-speaking people, whose languages matro clads billiding in Germany. The generace issunder the direct influence of the English-speaking people, whose languages is mative and dominant throughout an area of mensions &c. They are —Length, 380 feet infore than 10,000,000 square unless—more than a fifth of the whole habitable globe. In the United Kingdom, in the United States in British America, in Jamaica, and numerous other West India islands, in South Africa nearly, up to the Zambesi, h. Australia, in Tamaina, in New Zealand, in the isles of the Pacific, English has become the mother tongue of the millions. It is, moreover, the official congue of India, where the knowledge, of it is daily spreading among the 260 millions. It is the language of international commerce of China and Japan, and the language, also, of the high seas, being spoken in every maritime port on earth. It has the greatest literature, and more than half of the entire world's newspaper press is printed in it. Yet in Shakespeare the substitution of the control of the con

It Wouldn't Work.

"Parson Limbertip," remarked a gentle, an to whom the parson had been berating man to whom the parson had been berating his drowsy flock. "I should think a cornet in the choir would remedy the trouble. A good blast from that now and then would keep them aroused."

A Holy Shekel.

Mr. Gotschalk, of New York, owns the only genuine and perfect holy shekel in the world. The interesting relic is about 3,400 Dhey vander der ahtreets along years old, and was used in King Solomon's temple. Mr. Gotschalk is on his way to San Francisco to fulfil a promise and show the Francisco to fulfil a promise and show the shekel to a friend, who is a celebrated numismatist, and has the largest collection in the

The Dying Year.

LOST INMIDDES ASIA.

But I love the dying Old Year;
Though the new one looks aggay.
He brought site sor own—but stuly.
Not more than the New Year may;
So, while I may greet the new ono
With a welcome kind and true,
My beart lies half with Old Year—
To me, as dear as the new. I lein again from my window.
To see it only I
Have leve enough for the Old Year,
To care to see him ide;
But the wind sobs through the free to
A direc sincere and loud,
White a crystal teaf falls softly
Upon the Old Year's shroud.

Tho stars like funcial tapers Inithe heaven, shine cold and bright As they watch the clidate ar dying On his snowy cough to night. But the Odl Year dieth bravely.

No Time Like the Old Time.
