The lawyer wheeled suddenly round and regarded the young man keenly. "You surprise me," he said. "You must be a born detective."

"No, Mr. Warwick. But think how is the matter has been in my thoughts — Tour years now—and it will not seen it strange that points should strike me as they rose, It was the merest accident that sent me to lodge in the same to house with the bank cashier; it was the house with the bank cashier; it was the horsest accident that led to our taking of the forgery. Of course I was naturally on the lett for all he could tell me, and I had in my oldssuspicion to clothe with each new fact that dame to my knowledge."

"I see all that I think you had better the said; "Use said; "Use side is side to own the gentle-spirited Mrs. King rose in the same to my vou Mr. King is said; "Evon the gentle-spirited Mrs. King rose in the same to my vou Mr. King is said; "Evon the gentle-spirited Mrs. King rose in the same to my vou Mr. King is said; "I saked a thousand pardoss," he continued in the same to my vou for the same to my vou the extent of self-interest which urged me to seek this marriage. In the first place, Mrs. King, after your husband's conviction, I pitied you both; and when, in course of time, Rowan King gave me to understand that I was to be his hoir, I resolved to make to you and your daughter all tile preparation.

sal lette-and it seems so long agosino I last saw you.

The girl smiled, and led the way into the bank in London? But take care—your feeling against that man may bettempting you too far. This is dangerous ground. "I have hinted it to no one but you. If redged the it way. Why did you not to take how you were coming, for we should have been so glad."

After the ground, and shall never been to take enjoyment from a gainst that man may bettempting you too far. This is dangerous ground."

I have hinted it to no one but you. If Richard, King was at his duties as the high colour and heaving bosom, the us know you were coming, for we should have been so glad."

After the ground, and shall never be known. But if he was not his souchester that day," said Gray, with lask of concepts, "and I am so glad when she can get even an hour's rest during the bank! I have just learned from Mrs. For a considerable time thoytalked of old flavs and parish topics, and no reference was made to vene an about state on that day her husband was back the nan who brought that forged cheque to the bank! I have just learned from Mrs. King that on that day her husband was back the nan who brought that forged cheque to the bank of the bursting to that he must have travelled down by the was after two clock when the family roubles. In this so that he must have travelled down by the was after two clock when the forged cheque to them besides me; ask Dr. Hayle, for one, warf, the New York will be the bank."

the verdict of the world would be .—Was it selfish or ungenerous of m., Agnes, to seek to shield him from all suspicion by making his daughter my wife? Indeed, he added, without thinking, " had it not been for the disappearance of Rowan Kings bodys, for ever effected it and wherever it was laben to, the coroner's inquest would have set blue police to work, and, I am afraid, they would quickly strike the scent.
