are now offering a choice line of PARLOR, COOK and BOX stoves purchased for spot cash from old reliable factories; this enables us to offer the best at the very lowest prices.

Our leading stove the prince of all stoves, "BRIGHT IDEA," is entirely new, and original. It embodies every necessary convenience and improvement some of which are patented and cannot be had in any other stove.

From our long experience in handling stoves we have no hesitation in saying that we are offering better stoves for less money than can be had elsewhere in the Province.

We want all to inspect these stoves. It is a golden opportunity and will not occur again in a lifetime.
