FOR several years I was persistently annoyed with an excessive accumulation of Landruff and although using various preparations recommended and shampooing regularly once a week, no material relief was realized until my attention was called to Anti-Dandruff, which has produced unlooked for results in my case, four applications removing every particle of Dandruff, and as a specific for this trouble it certainly has no equal. A. O. U. W.

Ye editor left Markdale on Monday p. m. the 15th to attend the A. O. U. W. Grand Lodge annual meeting which was held in the city of Ottawa on, Wednesday and Thursday, 17th and 18th. Our train made close connection at Toronto Junction with the through C. P. R. night train going east, and when the delegates then arriving from points south, west and north of Toronto, boarded the one train there were over one hundred, all apparently bent on spending a sociable time. The night was bitter cold yet good time was made and the capital reached at 7:45 a. m. The distance from Markdale to Ottawa is 345 miles, which was made in 14 hours including stoppages. That day—Tuesday—was spent in sight-seeing. The A. O. U. W. concert in the evening was an entire success; over twelve hundred being present. At 9 o'clock Wednesday morning the meeting opened and out of 398 delegates not more than twelve were absent. This was a remarkably good attendance. With the twenty-four District Deputies and the G. L. officers fully 425 were in attendance. The business was conducted throughout with rare tact and executive ability. The reports showed the order to be in a very prosperous condition. One of the most important questions before the meeting was a proposition to sever connection with the Supreme Grand Lodge, which after a full discussion was voted down by 20,685 votes against and 2,660 for. (Every delegate has as many votes as his lodge has members.)

The following officers were elected:—

Grand Master Workman, F. G. Inwood, Toronto.
" Foreman, D. E. McWatt, Barrie.
" Overseer, F. W. Unitt, Toronto.
" Recorder, M. D. Carder, St. Thomas.
" Guide, E. J. Godwin, Ottawa.
" I. Watchman, J. R. Wilson, Hamilton.
" O. Watchman, J. R. Taylor, O. Sound.
" Trustee, W. A. James, Bonnieville.
" Solicitor, Warren Tottau, Woodstock.

Representatives to Supreme Lodge, John Milne, Essex; J. R. Miller, Toronto and Daniel Spry of Barrie.

Dr. J. M. Cotton, of Lampton Mills was appointed Provincial Medical Examiner.

Mr. L. G. Briggs of Tara was elected D. D. G. M for this district, which is called Dufferin.

The session was closed at 5:30 Thursday evening after a most pleasant and profitable two days meeting.

On Friday ye editor took train to Osgoode in the county of Carleton, 21 miles from Ottawa and thence ten miles further out into a fine agricultural district among a whole neighborhood of relatives whom we had not visited for 28 years, spending two days and the visit much enjoyed. The midnight train of the 21st was boarded at Kemptville and in twelve hours we were safe home.

NOTES.

Mayor Durocher delivered a flattering address welcoming the visitors to the Capital, and furnished vehicles to convey the wives of delegates—some 15 of whom were in the city—around town to see the sights.

The members at Ottawa were most attentive and courteous in entertaining their visiting brethern, the great majority of whom had never before visited the Capital.

The electric street cars were the admiration of all, being a most unique and perfect system.

Mechanics' Institute Evening Classes.

The evening classes started last November were brought to a close last Friday. On the whole they have been well attended and under the able leadership of Mr. C. A. Fleming of the Northern Business College have done a large amount of practical good among the young people of Markdale and vicinity.

At the close of the Class T. L. Moffat, Jr., Sec. Mechanics' Institute, made the following remarks.

Ladies and Gentlemen, as this is the last night of our classes you will allow me on behalf of the members to express our thanks to Mr. Fleming for the way he has taught us. It is always a pleasure to sit under a teacher who thoroughly understands his subject, and he is not only a master in his profession but he has shown the necessary tact required to conduct a class like this; he has also been patient, genial and willing to help any of the individual members in their studies. It is now some fifteen years since I met Mr. Fleming and in that time he has worked himself up to his present position, and it is only necessary for one to visit his college in Owen Sound to understand that he is a young Canadian of which the young nation should feel proud.

As Secretary of the Institute I have also to thank you for your attendance. As you are aware although we have a liberal government in Toronto (liberal both in name and nature) still we have to show a certain average attendance to obtain the grant. Our grant will be seventy-five dollars. This combined with the fees will pay salary and expenses without encroaching on the funds of the Institute. We started with over fourty names, but like Gideon's army it has melted down to twenty-five of an average now. I do not wish to find fault but I must confess that at first I thought that the young people of Markdale would appreciate more the opportunity to raise themselves a step higher on the ladder of knowledge, but you cannot accomplish such an object without some sacrifice. There is no royal road to knowledge, and we need not be surprised that so many are satisfied with their present attainments and are indifferent and not willing to gain further intellectual knowledge, but take it all over we may congratulate ourselves on our winter's work. We have had one of the largest classes in the county, larger I am informed than Owen Sound. And let us hope that the lessons we have learned here may be of benefit to us through life.

Mr. Fleming in reply thanked the class for their kind words. It had been a pleasure to him to visit the progressive town of Markdale, and he might say that during some ten years experience he had never taught a better class. Your studies should not stop with the class. If you took a course in a college or university you would find that you were just beginning life when you graduated. Do not stop then here but continue your studies at home. The truest men we have educated themselves in their own homes. I would advise you to cultivate your memory by profitable reading. You have a good library here; join it and do not read so much fiction. In reading, if any new word or well constructed sentence strike you, note them down, learn them by note and they will be in a convenient place for using at your first opportunity. Keep your mind plastic by exercise. In promiscuous reading you are simply learning to forget. In conclusion Mr. Fleming wished them success in their future studies and again thanked them for the interest they had taken and their attention.

ATTACKED BY AN ENEMY.

Dear Sir:—About a year ago I had a very severe attack of [illegible] and at times I suffered great pain after. I had to give up work, was unable to walk, when one day I saw an advertisement in the Hamilton Spectator. I got a bottle, used it and was soon able to walk about. I continued using it for some months, and am happy to say I am entirely cured. I cheerfully recommend Dodd's Kidney Pills to all sufferers. Yours truly, Mrs. Joseph Stout, Dodds Falls, Ont.

OF WHAT AVAIL

will your cough mixture be, perhaps of the same kind you have used for years, if it does not relieve the disease? Of course not. The object of a cough mixture is to relieve the disease. We know from experience that Dr. Wood's Norway Pine Syrup will relieve the disease, and that 95 out of every 100 cases of Coughs, Colds, Bronchitis, Hoarseness, Croup or Sore Throat will be relieved by one dose. Price 25 cents. Small Sugar Coated Baby Pills for children. They are mild and plain.
