**Bible Society Meeting.**

The fourth annual meeting of the Markdale Branch Upper Canada Bible Society was held last Thursday evening in Methodist Church. Rev. R. Davenport in the chair. After the general business Rev. John Sowerby of Owen Sound addressed the meeting on what the Bible has done and what it is doing. The speaker gave an earnest and practical address which was listened to with marked attention.

The following officers were elected for 1892: President, Rev. H. Davenport; Vice-Presidents, the Revs. J. H. Davenport, J. K. Moffat, Treasurer, J. E. Wright, W. A. Brown, H. Gillingham, J. Coleman, John Lyons, John Cass; C. W. Rutledge, J. B. Graham.

A few notes of interest may be added regarding operations of the Society. The Upper Canada Bible Society, with over 100 branches, is the largest of its kind in the Dominion. It has done much in translating the Word of God into 297 languages and dialects.

There is very great exertion connected with the translation and printing of the Bible in all languages, and without the Word in their own language the missionaries of the society would be like soldiers without arms and ammunition. This, the great B. & F. Bible Society, have been instrumental in securing to the Missionary cause.

The work of the Society is to disseminate the Word of God for all nations without regard to color, race, and sex. Testimonies and consolations have been given to thousands of souls, and the Word of God is being read in every tongue.
