I, unsolicited, hereby take pleasure in recommending Mr. Furneau, stonemason to any farmer or other person requiring a good, nicely finished stone wall. The one he built for me last summer has stood the test of a winter and a spring without a roof and I think it will compare favorably with any barn foundation in this township. I can also recommend Mr. Jas. Wood & Co., carpenters, who built my barn. They prove themselves to be gentlemen, civil, agreeable and obliging, and have displayed good mechanical skill and taste in the framing and finishing of the barn. W. J. Richardson, 9th line Euphrasia.

GONE TO MONO ROAD.—We understand that Mr. Thos. Hill, formerly of Hill Bros. of this village, has exchanged his fine farm, a mile out of town, for a general store and real estate in connection therewith at Mono Road, and is this week taking stock. Mr. Hill went out of the mercantile business some five years ago and entered into agricultural pursuits in order to recuperate his health, and now that he has regained his wonted vigor he has decided to re-enter mercantile life. Mr. H. is a man of sterling worth, undoubted integrity, unblemished character and good executive abilities, and we bespeak for him that measure of success which industry and honesty deserves.

THE little girls of Markdale Public School recently took into their heads to give an entertainment on their own hook, and put their youthful and commendable idea into practice giving, about a week ago, in Marsh's hall, a splendid program to a good sized audience. The evening was very unfavorable and many were hindered from attending owing to a down pour of rain at the time so the kids have concluded to give another which will take place in the same hall on Monday evening, June 27. The school teachers are to be commended for inculcating a taste for elocution, and the children should be encouraged by the presence of their parents and friends at their juvenile entertainment. Remember, at 7:30 in the rink hall Monday evening. Admission 10 cents.

ON Friday, June 24, commencing at 1 p.m. the Vandeleur public school and Meaford Road S. School will hold their annual picnic on the public school grounds.

ON the evening of July 1st, Dominion Day, the ladies of Christ Church will hold their annual Garden Party in Markdale. Admission 15c., children 10c. See posters for particulars.

THE Rev. Mr. Forest will preach the Ancient Order of United Workmen annual sermon in the Presbyterian church on Sunday evening the 3rd July. The members are requested to meet in their hall at 6:30 so as to march in regular order to the church.

THE new Methodist Church at New England, 7th line Euphrasia, is up and roofed and the brick veneer will be proceeded with at once. The annual Sunday School picnic entertainment was held on Wednesday, under most favorable circumstances. We hope to have a report of same next week.

THE Rev. T. R. Fydell moves next week to Hepworth where he has been stationed. Mr. F. is a faithful minister, industrious pastor and good scriptural preacher and has now completed a successful term of three years on the Euphrasia circuit. His parishioners regret to part with him, but such is the order of things. The STANDARD extends best wishes to Rev. F. and family for success in their new field of labor.

THE County convention meeting of the Christian Endeavor Societies held on Tuesday evening in the Methodist church was well attended and very interesting. Addresses were delivered by the Rev.'s Forest and Fydell of Markdale, Tonge of Flesherton and Messrs J. E. Kerr of Orangeville and T. L. Moffat of Markdale interspersed with excellent music by the choir. This movement is doing an excellent work among the young people and rapidly advancing both numerically and in spiritual strength and usefulness, and the comparatively young, and is already having a benign influence in our midst.

RELIGIONS IN GREY COUNTY.—The Census Bulletin on the religions of Canada shows that North Grey has 1506 Baptists, 1289 Roman Catholics, 4321 Episcopalians, 7856 Methodists, 9482 Presbyterians and 2367 of other denominations. East Grey has 761 Baptists, 1008 Roman Catholics, 4205 Episcopalians, 10903 Methodists, 7[illegible] Presbyterians and 1545 of other denominations. South Grey has 1185 Baptists, 2122 Roman Catholics, 2355 Episcopalians, 6744 Methodists, 7788 Presbyterians and 3528 of other denominations. The Presbyterians throughout the whole county number 25,024, a majority over the Methodists of 1021. The Church of England people come next, the Roman Catholic next and the Baptists next. In the county there are 71,503 Protestants and 4419 Roman Catholics.

THE Prize List of the Western Fair, which is to be held in London Sept. 15th to 24th, is again to hand, and we are pleased to notice that the unprecedented success which attended the efforts of the management last year has been of tangible benefit to the breeders of live stock and agricultural producers, the Directors having added nearly $2,000.00 to the Prize List of 1891. Besides increasing the already large prizes offered, third prizes have been added to the cattle classes, where before omitted, and new sections to the sheep classes, and a full class for the Tamworth pigs. Also third prizes in the poultry section, which, with the commodious building now at the disposal of the poultry breeders, should call forth their hearty co-operation and give to the patrons of the Western Fair the grandest display ever exhibited in Canada. The dairy interests are being properly looked after, and the Committee are evidently catering for a larger exhibit, if possible, than the grand display of last year. A long list of Special Prizes are offered, one or more in each department. The Directors have decided to adopt the *one judge* system, and appoint good, reliable, competent men, from names submitted by the principle live stock associations. This is the plan adopted by all the leading Fairs in America, and the Executive of the Western Fair are determined to keep pace with the best. Should any of our readers wish a prize list address Mr. Thos. A. Browne, Secretary, who assures us he will be pleased to forward the same.

MARY WAS SLEEPY.—A Buffalo girl made a funny remark in school the other day: "George Washington" was the time-honored subject of discussion, and the little girl was getting sleepy and not paying the close attention she should. "Now, Mary," said the teacher "Who was George Washington?" "Our father," said the little girl, indistinctly. "Once more, Mary," insisted the teacher; "speak up so the school can hear you." "Our Father which art in heaven," answered Mary and dropped off to sleep. She imagined she was saying her prayers before going to bed.
