Off to Europe. On Saturday, July 2nd, W. J. McFarland sailed on Steamship Umbria from New York for the British Isles and the Continent.

It is Mack's intention to visit all the leading manufacturers and purchase goods; so look out for Bargains next fall.

The boss left strict orders to have the present stock reduced at least one third by the time he arrives home.

To do this we find it will be necessary to sacrifice some lines and this week start with a Slaughter Sale of Dress Goods.

We have at present in stock some 60 pieces of single-fold Dress Goods all of which we have reduced from 10 to 50%—also some 20 odd pieces of double-width goods which will be sold less than manufacturers prices.

This is a Genuine Snap for anyone wanting a Dress, as the above lines have all been marked regardless of cost and must be cleared in the next 30 days.

Also 10 dozen Mens' Summer Shirts and Drawers, which for the next 30 days will be sold at soc. a Suit.

Remember The Early Bird Catches the Worm. So come early and secure choice of stock.

W. J. McFarland. Direct Importer.
