Do Not Ride the Bible.

"Oh, don't do that, please !" said Mabel Coy to her chum Rose King, as they were arranging their room at the Oak Knoll Semiyary at the beginning of the school

carly love and roverence if r God's book made him anxious to read it, and resulted in making a minister of him."

"And I fancy it has helped to make a preacher or a lecturer out of you," said Rose, laughing.

"Am I lecturing you? I beg your pardon. I was only attempting to oxcuse my seeming rudgness and to defond my position. Please allow me to say further that this thought fulness about the Bible has awakened a reverence and allove for it that have stimulated mo to read it, and I love God and His Son out Saviour better on account of knowing Him better than I should had I not a knowledge of the Holy Scriptures."

Mabel spoke with such sprious sweetness that Rose could not forgot her words. Then, too, the sight of Mabel's Bible on a dainty little tripod stand in a corner was a constant reminder.

Hanging on one side of the stand was a small portfolio-shaped basket containing a Sabbath-school quarterly and a Christian in the same direction. They both get particle where the find them." said Mabel. "So much valuable time may be wasted in hunting for things."

Rose's Bible was on her study table with her other books; and was not open in requisition, for she usually read a story or wrote letters during the time Mabel. spent daily cover her Bible on a daily core her Bible on the first provided the particle story." In the poisons upon the functions of life. A medial poisons upon the functions of life.

"What did it cost you!"
"That's a hard question. You see, I broke my leg running for it and that cost considerable; then, my brother-in-law was killed making a speech for me and I had to bury him; then I Harbected all my cattle, killed three mules rillin' around the country, mortgaged the farm and got a divorce from the family; so, you see it kinder foots up!"

calmy rose, and went into camp to report his second tiger slain that year.

Draining, manuring, cultivating and clovering are four equal means to the same end—the growing of better crops and the surety of a better profit from our work. The farmer who neglects any one of these overlooks his best interest.

In fact, the stone is tied down by the roots, or in other words, it is not a stone, but a block of liver case of repentance.

By a typhoon, landslide and carthquake in Japan 450 people were drowned, 3,000 houses submit find yourself unable to accomplish it.

By a typhoon, landslide and carthquake in Japan 450 people were drowned, 3,000 houses submit find down by the roots, or in other words, it is not a stone, but a block of liver people. One hundred people were swallowed up by an earthquake.

stranging their room at the Oak Knoll Semiuary at the beginning of the school year.

"Don't do what, pray?" asked Rose, opening her large black eyes very wide.

"Excuse me, please. I must seem very abrupt, but I thought you were about to put your Bible at the bottom of that pile of books."

"And what if I do? it is my cwn Bible."

"I did not think of that; it was simply that I have been brought up to never put anything on the top of a Bible."

"You look too sensible to indulge in such superstitions."

"It is not superstition; it is reverence."

"The Bible is God's only book. It should never be hidden or put of a high shelf or wedged into a case. It should be in plain view, unobstructed, ready to be opened by any person at any time."
