GREY COUNTY.

An agricultural district this county is decidedly in the front. This assertion can easily be substantiated notwithstanding the fact that occasionally we meet an individual whose discontented nature and fault-finding disposition prevents him seeing anything good at home, but in whose estimation "the other side" is far away.

The climate is healthy and free from extremes of either heat or cold; an abundance of pure water prevails throughout the county which is itself a boon for both man and beast.

For stock raising and dairying the county is peculiarly adapted, and these branches of agriculture are being carried on most successfully.

The soil is rich and easily tilled and not liable to serious injury from drought or excessive moisture, hence its adaptability for grain, pasture and root crops.

For orchard products this county stands right in the front, having a reputation reaching even across the Atlantic for its superior fruit.

Many are making a specialty of certain branches of agriculture. The great majority follow mixed farming, and all agricultural products are sent to market in the most judicious manner.

It is simply enormous the amount of money which is being put into the county for the purpose of securing a permanent and profitable investment in the various sections of this land of milk and honey.

VERY FAST TIME.
The steamship Umbria made her last voyage across the Atlantic ocean in 5 days, 22 hrs. and 5 minutes.

The Umbria is the steamship on which W. J. McFarland sailed on his recent voyage to Europe. It is predicted by some that the Umbria will yet beat the present fastest time on record which was made by the City of Paris in 5 days, 16 hrs. and 58 minutes.

Of this we are not sure but one thing we are sure of, that we will this fall display the largest best-assorted & cheapest stock of Dry Goods ever brought in this section of the country.

Word from Europe.
A letter from Mr. Mack a few days ago informed us that he has made some large purchases in Manchester, London and Glasgow, and that he never bought goods as cheap as he has done this season.

Owing to some of the manufacturers being depressed Mr. Mack informs us he brought some goods at a great reduction and will have some genuine snaps for his customers.
