Card of Thanks

After enjoying a year's successful business operations at Walters Falls I beg to return thanks to all who have contributed in any way to my success thus far. I thoroughly appreciate the hearty reception the people of the Falls have tendered me, and the liberal patronage which they and the farmers of this vicinity have so cheerfully given.

I hope to merit a continuance of that support and good will in future.

DR. SPOUSE, M. P., visited Meaford and Thornbury towns last week to inspect harbor works now in progress. He was accompanied by W. J. McFarland, Esq., who is interested in the Durham, Markdale and Meaford railway, and who is quite sanguine that the road will be built to provide our local Government and the municipalities with their share.

We have received a copy of Euphrasia Fall Show prize list, per favor of Mr. J. L. Wilson the secretary, but for want of space it is left over until next week.

On Tuesday October 18th, at one o'clock, Mr. John Plews of Kimberley Ind. says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, dyspepsia and Indigestion until my health was good than I ever had." I bought one bottle of South American Nervine, which did me more good than any \$50 worth of doctoring I ever had in my life. I would advise every weak person to use this valuable Remedy. I consider it the grandest in the world." A trial bottle will convince you. Warranted by W. Turner & Co.

FARMERS WANTED: DO YOU WANT TO SELL YOUR FARM? IF SO SEND US PARTICULARS. NO CHARGE. FOR FURTHER PARTICULARS APPLY TO WM. LUCAS & CO., MARKDALE.

Editor, Standard—Kindly allow space in your widely circulated paper to reply to certain erroneous statements made by Mr. P. Loucks to a number of farmers at a meeting recently called by Mr. L. for the purpose of securing stock holders in his mill, or to get a loan to enable him to change his mill to the Roller System. Our inducement held out was that he will give the best flour to the farmers, claiming that the millers at Markdale ship the best flour, and give the farmers second grade. The fact is we make Straight Roller; The farmers get the same grade of flour as the man who purchases from us. Mr. Loucks may ask where do you get your "Bakers" from? We buy Manitoba wheat, which costs from 15 to 20 cents per bushel more than local wheat to make Baker's flour."

Another statement by Mr. Loucks was, that we keep 28 lbs per bushel from wheat testing 55 lbs, which is also wide of the mark as you may see by the following which is the scale of exchange used by the millers of Markdale:

Wheat testing	lbs.	flour	lbs. oval
41	40	12	
42	39	13	
43	38	13	
44	37	13	
45	36	13	
46	34	14	
47	30	15

GENTLEMEN.—We are three days very generally from such a place as could get no relief till the price got worse and unbearable. Several friends advised Dr. P. Loucks to Shreveport, and when I found relief after a week I did not intend to leave him. The Canadian Grocer is published by the Canadian Publishing Co., Ltd., 10, East Toronto. The subscription price is \$1 per year, which any grocer or general merchant can better afford to pay than he can afford to buy without this paper.

ARTIFICIAL FALL
 Snow—Elegant weather favored this fall show at Princeton on Tuesday and Wednesday, 11th and 12th. The hall was well filled with fruit, roots, grain, ladies work, etc., etc., and compared favorably with other exhibitions of even greater pretensions. There was a splendid exhibit the second day of horses, cattle, swine, sheep and poultry and a large attendance.
