The Herald and Star is allows making arrangement to leave for Los ed to be the best paper on the continent Angelos, California, where he will reor the money; the STANDARD has few cattle spice. main all winter. Ever since his elecperiors as a local paper, and the Star tion Mr. Portor has been having a hard manac comprises 400 pages of useful fight for life, but it is to be hoped that formation and sells for 25 cents. This

rears old and has a circulation of 1401-000 copies a week. It is a combined story and family paper, fully up to the times in every particular, and handomely illustrated. There is a Fashion ous.: It removes at once the cause and Department and also a Young People's the disease immediately disappears Department, either of which alone is worth the subscription price of \$2.00 a year, \$1.00 for six months, 50 cents for three months. Send for free specimen copies and inducements for clubs. Boys and girls everywhere are making money nting potatoes and deer. Potatoes are plentiful but cannot be bought. He selling the Ledger to regular customers says large quantities of tubers are held Write for particulars. Address the pubby farmers, and that prices will as a lisher, W. D. Boyce, 113, 115 and 117

THE ASSEMBLY .- Shelburne Assembly

THE CHICAGO LEDGER is twenty

Club held their first assembly Tuesday ovening in the Town Hall, the atten lance numbering between thirty and forty persons who tripped the "light fantastic" to music furnished by Shel-. burne Orchestra. Rev. H. W. McTavish innrised the gay dancers by responding in person to an invitation received further particulars apply? to WM. by him on Monday-immediately folowing his sermon on Sunday eyening, therein he expressed yeiws which were anything but favorable to dancing. In letter the exact contents of which has proved very displeasing to many, he could not remain with them throughout the evening. It is really too bad for sale. I am also ready to receiv that the Assembly Club should suffer ts members in sending this invitation.

A Good Investment .- It pays to read the STANDARD because it contains from | 4 ill. time to time many important notices which the public generally are interest. ed in. Besides a general epitome of the is always matter of interest and import. ance in the advertising columns. A nan assigns; you may be a creditor; the legal notice of the assignee tells you when to put in your claim. A note is lost; it is advertised in the paper; you are saved from buying it, should it turn up. Lost animals are advertised, and he owner recovers his own. Sharpers are going through the country and the paper warns you of them and you are hus sayed loss by them. When a

that takes the local paper. has the first opportunity of profiting thereby. When the horse buyer is con ing, the paper brings the news right only is he keeping right in front as into your house, and so the chain of usefulness continues link by link. As a medium of communication it is yaluable. thoroughly that the old customers will and convenient alike to those that have mnouncements to make and those who are interested in hearing them. It is not by any means money wasted, but rather, a good investment. It will pay for itself over and over again during the year. Do not give up your local paper, but rather encourage some neighbor or friend to subscribe who is without it, and thus do them as well as the publisher a good turn.
