NOTICE.—Correspondence, communications, Advertisements, &c., must be in the office by noon on Tuesday to insure publication that week.

Notices in these columns intended to benefit any individual or Society will be charged ten cents a line for the first insertion and five cents a line each subsequent insertion.

The STANDARD wishes its correspondents, patrons and all its readers a pleasant and prosperous new year.

THE holiday trade in town has been excellent.

WEDDING stationery, late designs, at the STANDARD office.

MR. FOREST Methodist church is now lighted by electricity.

THE STANDARD will be clubbed with the Family Herald, and Star Almanac up to the 15th January, all for $1.75.

HARD TO BEAT.—Mr. Joseph Thomson of Euphrasia sold to W. J. McFarland a Dressed Goose weighing 18½ lbs.

WHAT are you going to Stephen's for? A reserved seat ticket for the Concert; why, it's all the rage.

SOME hard things have been said in the papers recently about Jay Gould, but the STANDARD is thankful to Mrs. J. Gould for renewal last week of subscription.

THE party who took a quilt from a sleigh in the City Hotel shed on Saturday evening last, 24th Dec., will be prosecuted if the same is not returned to Mr. Dimma before Wednesday next, Jan. 5, as the party is known.

MATRIMONIAL Bout.—On Wednesday of last week Rev. W. J. Waddell, of Kimberley, tied the nuptial knot for four couple, while Rev. Mr. Davey of Markdale, solemnized two marriages. No grumbling has been heard from the clergymen on account of the rush either.

ANNUAL TEA—An able staff is announced by pastors to take part in the literary part of the Presbyterian tea-meeting in this village on Monday next, New Year's day, viz: Rev. John Somerville M. A., Owen Sound; Rev. John McAlpine, Chatsworth; also Rev. Horace E. Bray and Rev. R. Davey, of Markdale. Tea from 5 to 7. Music by the choir. Admission 25 cents, children 15.

JUST THINK OF IT.—One package of Diamond Dyes costing ten cents, will color from one to six pounds of silk or wool goods, according to shade desired. This is wonderful work: and thousands of ladies are every year saving money, by having their dresses, cloaks, wraps, shawls, stockings, etc., renewed through the use of the unfailing and reliable Diamond Dyes. When you buy dyes, do not be induced to try other makes; there are no dyes equal to the celebrated Diamond.

PRESENTATION.—On Monday evening last, Mr. T. Hall, editor of Dundalk Herald, was made the recipient of a beautiful EASY CHAIR, as a token of the appreciation of his services in the pulpit, in the Epworth League, and as instructor in connection with the Methodist church Dundalk. It was a genuine surprise to the recipient and was not obtained by subscription, but was the direct gift of the Societies named. The address that accompanied it contained very sincere expressions of esteem and wishes for his future prosperity. Mr. Hall replied in suitable words, although taken completely by surprise.

S. S. ANNIVERSARY.—The anniversary of Ebenezer church Sunday School was held on Tuesday evening the 20th Dec., and was a decided success. There was an abundance of good things for the wants of the inner man, and after full justice was done in that respect an excellent program was rendered consisting of addresses by Rev's R. Davey, A. W. Tonge and Mr. Barlow, also readings, recitations and music by the school. Mr. T. Kells ably filled the position of chairman. Proceeds $25. A social was held two nights later which netted $7. The school is in a flourishing condition and the above proceeds will be applied to the purchase of a new organ.

FORTNIGHTLY CLUB.—Notwithstanding the bustle and business engagements incident to the holiday season there was a fair attendance at the open meeting of the Fortnightly Club on Tuesday evening the 20th. Rev. Mr. Bray occupied the chair, and Mr. Glendinning gave a capital address on the profession which he has so successfully followed, viz: school teaching. Mrs. M. Brown gave two excellent selections from "Longfellow", Rev. Mr. Bray gave a selection of peculiar epitaph's, which were both amusing and ridiculous. Mr. W. A. Brown read a description of the unveiling of Sir John Macdonald's statue, and Miss Leona Mathews a recitation on snakes This scattered the audience.

CHURCH ANNIVERSARY.—The annual tea-meeting in conection with the Methodist church was not as largely attended as on some former occasions, but was on the whole a success. There was ample provisions made for the wants of the inner man after which an excellent program was rendered consisting of addresses by Mr. D. B. Neely, M. Richardson, Esq. a recitation by Miss Em Wright and excellent music by the choir, Roy Mr. Davey presiding. Mr. Richardson's graphic description of scenes and incidents along his recent ten thousand mile tour was indeed a treat such as is seldom the privilege of a Markdale audience to enjoy. The time was too limited for him to get near all crowded in which was in store, and besides, Rev. Mr. Waddell was crowded out completely for want of time. The treasurer's report showed the finances to be in a satisfactory and encouraging condition. Proceeds $53.50.

FLOUR only $3.25 per bbl. cash at R. B. Currie's.

LAST Sunday being Christmas day the services in the different churches in town were appropriate for the occasion.

Albums, Albums, Albums.
Grand selection to choose from
Stephen's Drug Store.

CHRISTMAS numbers of Graphic, illustrated London News, Toronto Saturday Night and Canadian Almanac at Turner's Drug Store.

MR. CHAPMAN, late of Dundalk, has purchased from Mr. Thos. Mathews the Markdale Livery business, and took possession last Monday.

THE largest load of goods ever brought into town was fetched from the station to W. J. McFarland's store last week by Marshall the teamster.

1,000,000 FEET SAWLOGS WANTED,—Highest price will be paid by Mitchell Bros. Berkeley for all kinds of sawlogs during the coming winter.

WILLIAMS' Royal Crown Remedy Greatest cure on earth. Guaranteed to cure General Nervous Debility, Rheumatism, Neuralgia, Paralysis, etc.

Stephen's Drug Store.

MR. D. B. NEELY preached an excellent sermon in the Methodist church last Sunday evening. Mr. N. is rapidly developing as a platform speaker.

FARM produce, cordwood and sawlogs have been moving in large quantities recently. Markdale is a live place and business men are doing a thriving trade.

SAY BOYS!
We'll all go to the Band Concert on Friday evening, the 30th, and don't you forget it.

A DECIDED cold wave has passed this way since the middle of last week, the mecury registering slightly below zero. It is now mild and good sleighing with over a foot of snow.

THE annual meeting of the Euphrasia Agr. Society will be held at Rocklyn on Thursday 12th Jan. 1893 at 10 o'clock p. m. A full attendance of members is earnestly requested.

ENGLISH Spavin Liniment removes all hard, or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeny, Stifles Sprains, Sore and Swollen, Throat, Coughs, etc. Save $50 by use of one bottle. Warranted by Walter Turner & Co.

MISS SARA LORD BAILEY of Boston, is a finished elocutionist, and her rendering "Life for Life" Perhaps has never been equalled in Toronto. This lady possesses a voice of wonderful flexibility and has become a favorite with Toronto audiences.—Toronto World. Miss Bailey will appear in Markdale rink hall on the evening of the 20th.

ENTERTAINMENT.—The annual tea-meeting of the Holland Centre Methodist church will be held on Monday evening, January 2, 1893. A good program of catables will be served from half past five after which literary refreshments will be dished up by Rev. J. F. McLaren of Temple Hill; Rev. J. W. Churchhill of Chatsworth; a recitation by Miss Tindale and music by the choir. Admission 25 cents.

REBECCA WILKINSON, of Brownsville Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which did me more good than any $50 worth of doctoring I ever done in my life. I would advise every weak person to use this valuable remedy. I consider it the grandest in the world." A trial bottle will convince you. Warranted by W. Turner & Co.

ANNEXATION.—You may talk as you please but it is a fact that a mixture of Manitoba hard wheat with our home grown grain is a decided improvement to the flour, and farmers are not slow to appreciate the benefit as proven by the long distance they have recently been driving to Victor Roller mill, Markdale. Roller flour from $2 to $4 per bbl: good wheat tailing chop $11 per ton; shorts $12.50 per ton; mixed chops $16: and for gristing I guarantee you better flour and as large a quantity as any mill in the county of Grey. Wishing you all the compliments of the season. Yours truly, A. Plowes.

SERVED MY TIME.—According to the rule among bakers 3 years is the term allowed for learning the trade, so having served that length of time baking for the people of Markdale and surrounding country I think I can claim to be a tradesman. Now, although I have served the allotted time, I don't intend to pull up stakes and leave the people among whom I have found many warm friends, but rather to stay right here and make my very best endeavors to give satisfaction. Thanking all for past favors and for acts of kindness, I wish you one and all a Merry Christmas and happy New Year. Respectfully yours, A. W. Wade.

CARD OF THANKS.—I sincerely thank my many customers for past favors, and as I am still leading in the hardware line would ask a continuance of the same. Have been too busy looking after your interests to write advertisements reflecting on business rivals, but a few prices will suggest to the public why my business is increasing. I am now, and have been selling a 5½ foot lance tooth saw for $2.25, coal oil 15c. gal. and in larger quantities at reduced rate, axes from 60c. up, cook stoves taking 26 inch wood, and guaranteed good bakers or you can return them, for $10.50. I would make special mention of the "Model." It is a model indeed of perfection and beauty. Call and examine, compare prices and quality, and you decide in favor of the Model every time. Again thanking you for your patronage I wish you all a Happy and prosperous New Year. J. E. Trotford.
