lawyer McCullough on one side and Lucas on the other, to watch the interests of their respective clients, but we peleive all can safely rely on strictly impartial justice from his honor judge forrison. There were several cases, but none of any importance. The first taken up was an action on a promissory note made by Malcolm and Donald Mc. Dougall and now in the hands of Mc-Cullough & Young, Bankers. The dispute by defendants was, that the Ind., says: "I had been in a distressed note is now for a larger amount than a thing of the past. when they sighed it, but having made a payment without objecting to it judge-ment was given against them. Charles Ryan vs. James Henry, an account for thrashing in which a counter claim for work and the paint for a buggy was set up. Plaintiff claimed that he found the int for two buggies and was to have his painted tree. The suit ended in a sort with certain lines of compromise, plaintiff getting judge. ment for live dollars. R. S. Rae against John Gallagher an enterpleader suit in which John Gallagher claimed all the the chattels on the place as he bought and paid for thom whou sold under chattel mortgage. His claim was allowed and Mr. Rae was left worse than when

Division Court.

Jan. 9th 1893. Court opened in due

form, Judge Morrison presiding, with

ha started. Patterson Bros. ys. John Fletcher was commenced and adjourned in which a point of importance was raised, he having a harrow from the firm and when the first note was due an agent called to collect, he told him a neighbor had borrowed the harrow, and the notes being lien the agent sold the harrow to the neighbor at a much lower price than first cost. The point raised is that when possession is taken of an article under lien, and sold, it bars any future claim on the first purchaser for the first cost of the article. But the case is adjourned and we will see what the action will be at next court. Court then adjourned.

Farm Fagots.

Feed according tomecd. Keep your barnyard dry. If you want good stock, raise it. There is no profit in breed alone. Keep the mice out of your beehive. The demand for scrubs is not lively. Adopt a system for rotation of crops. Give your cows a good bed to lie on. Give a cow her own time to get

round. Whatever is lost in flesh is so much ead loss. A fath will cover a crack and stop a
