A story is told among American booksellers of a man who ordered from Chicago, with other volumes, a copy of Canon Parrar's book, "Suckers after God," just then issued. In a short time the other volumes came to hand, but the Canon's book being out of stock, the publishers wrote at the foot of the invoice "No seck. ers after God in Chicago." A Russian army officer has made

very successful experiments in the training of falcons to carry despatches, and general attention has been called to the possibilities of the use of this bird for messenger purposes in the time of war. The falcon so trained carried messages from one garrison to another with very gratifying success. If the use of these birds is found to be really the use of these birds is found to be really generally practicable, they will linvo many points of superiority over pigeons for messenger purposes. They are much stromer, and some of them so far tried cattries a weight of four Russian-pounds without hindranes to speed. A not unimportant consideration is that they are not like y to suffer from attacks of other birds.

The street beggars work on the prince One cannot call the upper branch of English Parliament a peerless body.

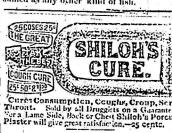

Old Nursery Favorites. There was Tom, the Son of the Piper, Jack Sprat, and Merry King Colo. And the Three Wiso Memor Githam, Who went to sea in a bow!
