ENDEAVOR CONVENTION.

The second annual convention of the Endeavor Union was held in the Methodist church on Wednesday and Thursday last week. The weather was fine but the bad state of the roads hindered many from being present.

There were in the Union 24 local Societies with 599 active and 478 associate members. Owing to the bad condition of the roads and other causes several who were expected to attend were not present.

A large number of the delegates arrived by the noon train on Wednesday and on account of the late hour of the train the convention was held in the evening. The local societies held a luncheon at the hotel and the delegates were entertained at a banquet at the hotel.

The first session opened at 12:30, Rev. H. W. M. Trenchard, of Shelburne, president of the union, presided over the opening exercises. Devotional exercises were led by Rev. Mr. Day after which Rev. Mr. Trenchard addressed the meeting.

Rev. Mr. Trenchard's address was on "The Church and the World." He said that the church is the only power in the world that can bring about a better world.

Walter's Fall.
Mr. R. McCullough, of Georgetown, visited at Dr. McCullough's last week. Mr. R. Clarke is very ill at present with inflammation of the lungs. Judging from the amount of machinery and implements which recently arrived, Mr. Clarke intends to do a rushing trade the coming season.

Holland Centre.
Mr. William McCann, of Owen Sound, was in the village last week. We think Mr. McCann is a business and wonder who is the lucky one.

Priceville.
Our burg is very nearly moved. The snow is deep; the roads are every thing but good, and it is no wonder that business is dead of flat. We have the consolation, however, to think that a thaw cannot be very far off.

Eugenia.
Our new factory is not doing much these times, but F. T. Carr is as busy as a bee. The mill yard is nearly full of logs.

Flesherton.
Mr. George Irwin left last week for Owen Sound. The Flesherton glee club took an active part in the Meaford road concert on the 8th inst.

Wodehouse.
The opening services of the new Methodist church took place on Sunday last at an announcement. The roads were in a wretched condition which doubtless hindered many from being present on this auspicious occasion, yet there was a full house at each of the three services.

Is a Small Waist Beautiful?
This is the shape of a woman's waist on which a corset fits. It is laced, the rib, deformed by being squeezed, press on the lungs till they're almost dead. The heart is jammed and cannot pump, the liver is a torpid lump, the stomach crumpled, and digested, and in a few more years all compress, there is a life in every organ, to a fearful mass of waste, but think—she has lovely shape, though hideous as a crippled ape.
