MARKDALE, APRIL 13, 1893

ONTARIO LEGISLATURE.

The session of the Ontario Legislature last week was attended with the usual civil and military display. For various reasons the ceremony and the occasion seemed more than the average. The new and costly new parliament buildings is occupied for the first time as a drawing card. This opens the second century of the existence of representative government in Canada—the first having been opened by Governor Simcoe, in 1793. This fact gives the occasion. Then, Mr. Fitzpatrick had his first speech since his appointment to the new departments. Together with these and other days of opening the attendance to the occa-

Signs of Spring at last.

Good taffy weather at present.

Some of the fall wheat has a sickly appearance.

We have had both marriages and deaths here lately.

Mr. and Mrs. Robt. Buchanan are the proud parents of a son, an heir.

Mr. John J. Magee has taken unto himself a wife in the person of Miss Emma Smith, also his brother David A. Magee; his choice being a Miss Mary Elizabeth Clark of Euphrasia. John and his partner will reside on the homestead. David and his better half will take up their residence on the town line. Congratulations and success to all concerned.

Mrs. Black, mother of Mr. Robert Black, passed away to the better land week before last. Her remains were conveyed by train to Orangeville for interment by the side of her life partner who had preceeded her across the dark river.

CAUSE AND EFFECT.

Coughs and Colds are the cause if neglected, of consumption. It is therefore much better to cure them at once by the use of Hagyard's Pectoral Balsam, the safe, sure and reliable remedy for all diseases of the throat and lungs.

Feversham.

Spring, beautiful spring, is once more the guest of our land, and the air is pregnant with perfumes of taffy pulls and melodies of the feathered songsters of the grove the cackle of the hens in the barn yard, and best of all, our black cow has got a spotted calf.

The new sawmill is completed all but the shingles.

Ira Perigo looks bloomin in his miller's garb.

The new land lord has not yet put in an appearance at the Beaver hotel.

Miss Emma Perigo visited Mrs. W. G. Moffat's a few days last week.

Mr. R. Stoutenburg has the material on the ground for a new store, to be erected where the shed now stands.

Mr. H. Heitman has returned from Toronto and R. T. McGirr from his ramble.

George Dearsol has not returned yet from his holiday visit.

Mr. Wm. Pearson is now in charge of the mill.

Paul Bros. intend erecting a fine dwelling opposite the hotel. F. C. Bruce will also make considerable improvements on his premises.

Mr. R. Ja Colquet, of the 10th line, is very low with inflamation.

W. G. Moffat gave us a friendly call on Saturday.

George Whitcomb will soon commence his rounds with better beef than ever.

Have you seen "our city tablet" the latest in writing paper at Turner's drug store.

A CURE FOR COUGHS.

There is no remedy that makes as large a percentage of perfect cures as Dr. Wood's Norway Pine Syrup. In nearly every case of coughs, colds, asthma, bronchitis, hoarseness, croup, etc., its curative effects are prompt and lasting.

Walter's Falls.

Your correspondent will do his best to make amends for the omission of last weeks items to the STANDARD.

Well Mr. Editor we are all in pretty good health, although there are some of our number who have bad colds, &c.

All are rejoicing over the beautifull weather we are having. Roads are drying up and if good weather continues mud will soon be a thing of the past.

Miss P. Dayman, who has been in Owen Sound for some time past, returned to the village last week.

The new program contest in the R. T. of T. has opened. Monday evening last, was the first nights entertainment and an excellent program was given by Miss Olmsteads side. Last Monday evening a good program was rendered by Mr. F. Wickham and his followers. Four new members were also initiated.

Miss Margaret L. Coleridge, who has been spending her Easter vacation in the village, returned to Owen Sound on Monday 10th inst., to resume her studies at the Col. Institute.

Miss A. Walker leaves tomorrow for the same purpose.

The following are the officers and directors of the "Central" Spring stallion and bull show to be held at Walters Falls on Wednesday 26 April:—Thomas Dixon, president; Elishu Hanbury, treasurer; Geo. B. Holmes, secretary. Directors, Christ. Hammell, John Adams.

DYSPEPSIA CURED.

GENTLEMEN.—I was troubled with dyspepsia for about four years. I noticed an advertisement of Burdock Blood Bitters, so I started to use it and soon found that there was nothing to equal it. It took just three bottles to effect a perfect cure in my case.

BERT J. BEAN, Wingham, Ont.

Priceville.

Miss Gertie spent Easter holidays at home. She returned last Monday to Owen Sound Col. Institute, where she is preparing for a second class certificate.

Miss Minnie Stothart spent a few days last week, visiting numerous friends in the vicinity of Guelph.

Mr. Alex McCabe, of Lotis, spent a day or two here on a business visit.

Miss Flora McQuarrie, eldest daughter of Mr. John McQuarrie, north line Glenelg, has been very ill during the the last two weeks. She is improving some now.

A number of the stalwart young men of this vicinity left last week for the old settlements.

Mr. Danniel Cameron, while splitting wood a few days ago, cut his foot rather badly. Danniel is able to limp about a little now.

Mr. Lacky McLachlan left last week for Ill. U. S., where he intends remaining for some time.

Miss Alice Ross, teacher at Staunton, spent her holidays at her fathers, Mr Ross, tailor.

Mr. Donald McKichnie, Durham Road, Glenelg, left last Friday for Dakota. He will likely be there for a period of time.

The Rev. Mr. McLeod in the course of his sermon last Sabbath referred very feelingly to the late Mr. Thos. Binnie, of Glenelg, who was an elder in this congregation for 25 years. He spoke of his great faithfulness and his ardent zeal in his Masters Vineyard.

Burdock Blood Bitters

AS A SPRING MEDICINE.

No other remedy exercises so powerful an effect on the entire system as Burdock Blood Bitters. It purifies, cleanses, tones and strengthens.

IN SPRINGTIME

various disorders may attack the liver. The strong food taken during winter overloads the system, clogs the bowels and produces biliousness, constipation, sick headache, boils, pimples, bad blood, skin diseases, etc.

Burdock Blood Bitters unlocks all the clogged avenues of the system, carries off all foul humors and impurities, and cures the above named diseases, while at the same time giving health and strength to the entire system.

Burdock Blood Bitters

CURES **BAD BLOOD.**

Dyspepsia, Constipation, Biliousness are causes of Bad Blood. Good Blood cannot be made by any one suffering from these complaints. The results of Bad Blood are

BOILS, PIMPLES, BLOTCHES,

Eruptions, Sores, Skin Diseases, Scrofula, etc. Burdock Blood Bitters really cures bad blood, driving away every vestige of it from a common pimple to the worst Scrofulous sore. *It is the kind that cures.*

Mr. H. M. Lockwood, of Lindsay, Ont., had 33 boils in one year but was entirely cured by B. B. B.

SPRING.

The dainty spring gives new desires and aspirations, prominent among which is a longing for a new suit of clothes.

An individual once remarked that he washed his face once a week whether it needed it or not. You are sure to require a new suit of clothes once a year whether you get it or not.

Stoddart, the tailor, over McFarland's store, is in possession of the latest styles and can fit you whether you believe it or not. A fair trial will convince you. Then come and prove it for yourself.

MARKDALE HARNESS EMPORIUM.

For over a quarter of a century I have been in business in Markdale, and am thus enabled to reap the reward of a well established business.

My aim has always been to procure good stock and do good substantial work, consequently a constantly increasing patronage has been enjoyed.

Having disposed of the livery business I am enabled to devote my whole attention to the harness business, and hope to merit a continuance of the generous patronage heretofore enjoyed.

THOMAS MATHEWS.

CAN YOU THINK?

Can you think of a worse disease than dyspepsia, it plunges its victim in gloom and despondency, makes him a burden to himself and others, and causes constipation and bad blood. Yet Burdock Blood Bitters cures dyspepsia or indigestion, and has done so in thousands of cases.

By-Law No. 64.

Whereas a petition has been presented to the Municipal Council Village of Markdale asking them to pass a By-law fixing the hours for closing of shops, stores and other places of business within this Municipality. Therefore the said Municipal Council of the Village of Markdale hereby enacts as follows:

1. That this By-law shall be known as the Early-Closing By-law.

2. That from the tenth day of April A. D. one thousand eight hundred and ninety three all shops in the Village of Markdale in which dry goods, groceries, clothing, gents' furnishings, boots and shoes or hardware is sold or exposed for sale, or in which the sale of any such classes of goods is the principle trade carried on in such shop or store, shall be closed, and remain closed on each and every evening of the week—Saturday evening excepted—at and during any time or hours between seven o'clock p. m. and five o'clock of the next following day.

3. Every occupier of any such shop or store as is specified in clause two of this By-law, who shall keep his shop open by himself, agent or servant, within the hours specified and proscribed by clause two of this By-law, and contrary to the letter and spirit of said By-law, shall upon conviction of said infringement before any Justice of the Peace of the County of Grey, be liable to a fine not to exceed the sum of ten dollars and costs; and in default of payment thereof and in the event of no distress being found out of which the same can be levied, such occupier, agent or servant, shall be liable to imprisonment with or without hard labor in the County gaol of the County of Grey, for any period not exceeding twenty-one days.

Passed this 29th day of March, A. D. 1893.

THE GREAT SOUTH AMERICAN

NERVINE TONIC

—AND—

Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar.
It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the South American Nervine Tonic, and yet its great curative agent has long been known by a few of the most eminent physicians who have not brought its merits and value to the notice of the general public.

This medicine has completely revolved the problem of indigestion, dyspepsia, and biliousness, and also of the greatest nervous diseases of all forms of whatever cause. It is the only remedy which by the great tonic which it possesses, and its wonderful curative power on the stomach, liver and the bowels. No person who starts with this wonderfully compounded Nervine Tonic as a tonic and liver regulator of the life forces, will ever be troubled with a broken-down constitution, or the many forms of disease that follow in the train of those terrible diseases. It is the only remedy ever used on this continent that will positively cure the worst forms of nervousness of females of all ages. Ladies who are approaching the critical period known as change of life, should not fail to use it, as it will positively carry them safely over this critical period. This great remedy is also unequaled as a tonic, almost constantly carry them safely over the critical period of two or three years
