

Germ Syrup

HIS HERRESS.

OR, LOVE IS ALWAYS THE SAME.

CHAPTER XVI.

Those who have not used Bosch's German Syrup for some severe and chronic trouble of the Throat and Lungs can hardly appreciate what a truly wonderful medicine it is. The delicious sensations of healing, easing, clearing, strength-gathering and recovering are unknown joys. For German Syrup we do not care if you break your throat or stop a tickling—for a while the medicine goes. Bosch's German and Lung Specialty. Where for years there have been sensitiveness, hiccoughing, spitting, hemoptysis, fever, weakness, slipping down, all where doctors and advice have been followed and followed and followed to the gulf of conviction that it is over and the German Syrup cures. You are a live man yet if you take it.
