ROBT. BARR, IN "LIPPINOOTTS MAGAZINE."

[HAPTER VII.]

Before night three more telegraph boy found Yates and three more telegrams in sections help. to carpet the floor of the joset. The usually high spirits of the respectful visitations. At last he did get even swapt, which, in the case of Yates, and the captain makes a mistake in saying the repeated visitations. At last he did get even swapt, which, in the case of Yates, always indicated extreme depression. As stand development, he went to his tent-than he deer been in going through an election shad ever been in going through an election campain. He went to his tent-bank carly, may attain of such atter dejection that Renears the professor would not let me use it from my coat-pocket, captain."

"In tying the professor they came upon the open air. Are these the prisoners? I don't know either of these men."

"I thought you said you were unarmed?"

In tying the professor they came upon the open air. Are these the prisoners? I don't know either of these men."

"I thought you said you were unarmed?"

The captain makes a mistake in saying that I chaimed a personal acquisintance with you, general. What I said was that you would recognize somewhat quicker than he did who I was, and the deairability of treating me with rearonable decency.—Just should be an improvement, on sleeping in the open air. Are these the prisoners? I don't know either of these men."

"I would be an improvement, on sleeping in the professor they came upon it is up to the light."

"I would be an improvement, on the open air. Are these the prisoners? I don't know either of these men."

"The captain makes a mistake in saying that I chaimed a personal acquisintance with you, general. What I said the open air. Are these the prisoners? I don't know either of these men."

"The open air. Are these the prisoners? I with a was and the open air. Are these the prisoners? I don't know either of these men."

"I would be an improvement, on the open air. Are these the prisoners? I don't know ould on't know ould t

stays indicated extreme depression. As all stays of seven in going through an election had ever been in going through the woods."

with the best in the centre of the fray. He wastes to Scoop the opposition press. I will get anight's sleep if I can, and to more well know I shall capitulate. I will feather to General O'Neill and interview him on the field of slaughter. I will telegrape olumns: I will refurbish my military to abulary, and speak of deploying and three ing and throwing, out advance gualis, and that sort of thin. I will move dumns and advance brigades and movel strategy. We will have desperate a fighting in the columns of the Argus, what yet there is on the fields of Canada. But to always who has seen real war this operators of the columns and advance of the Argus, what yet there is on the fields of Canada. But to always who has seen real war this operators of the columns of the three ways anything harsh, but to me it is for the columns of the total ways anything harsh, but to me it is for the columns of the columns.

of the commander, as the footlights might illuminate the figure of a brigand on the stage. The face of the officer showed that he was greatly impressed with the importance and danger of his position. Yates glanced about him with a smile, all his reent dejection gone, now that he was in the midst of a row.

"Which is Murphy," he said, "and while is Doclin? Hello, alderman," he cried, as his eyes rested on one tall, strapping, red-haired man who held his bayone; ready to charge, with a fierce determination in his face that might have made an opponent quait. "When did you leave New York? and who's running the city, now that you're gone?"

The men had evidently a sense of humor, in soite of their blood-thirsty Jus-bness, for

was beken a state of the state there is an airaid of, after all. He is but there the more time you will have for being theory and symptom of the inward trouble. Sorry over what you have done."

But the captain still he sitated, and look, when it is the inward trouble with make up his mind whether they would obey the paper. The trouble with make up his mind whether they would obey to an example of the but the captain still he sitated, and look, ed from one to the other of his men, as if to make up his mind whether they would obey the newspaper depends to an example of the latter of the captain still he sitated, and look. The trouble with make up his mind whether they would obey the captain to a latter of the mane of his friend.

"I want nothing from you," interposed to make up his mind whether they would obey the paper. "Oh; that's all right," said Yates. "Never mind him, general. He's a-learned man who doesn't know when to talk and when not to. As you march up to our tent to the more time you will have for being inquired the name of his friend.

"I want nothing from you," interposed to make up his mind whether they would obe.

"Oh; that's all right," said Yates. "Never mind him, general. He's a-learned man who doesn't know when to talk and when not to. As you march up to our tent to the paper." and that it will be the first time I (quick eye noted that the two prisoners had said). It is the newspaper-man's nothing to hope for, even from the men the best opposition press. I who smilled. The shooting of two unarmed and bound men seemed to them about the brrect way of beginning a great struggle

York? and who s running and stage of the sentry, that you're gone?

The men'had evidently a sense of humor, in spite of their blood thirsty business, for a smile flickered on their faces in the landing the sentry of the sentry

In a men and extending years howers, for a smile flickered on their faces in the land term-light, and several hayonets were unconsciously lowered. But the hard face of the commander did not relax.

"You are doing yourself no good by your talk," los said, solemnly, "What you say will be used against you.

AGRICULTURAL

Feeding Live Stook.

Alpaper on more economical feeding of live stock, by Prof. James W. Robertson, Dairy Commissioner of Ontario, gives some Dairy Commissioner of Ontario, gives some important matter in relation to ensilago and other matters. From it we extract, as follows:

follows:

There are some matters in the home There are some matters in the home practice of the farmer which need more serious attention than the restrictions which these two governments have seen fit to impose upon our cattle. Let me ask the attention of the farmers of Ontario to the bulletin which I had the honor to issue on the feeding of steers last November. I shall be glad to mail a copy, to every applicant who sends his name and address to the Central Experimental Farm. Ottawa

"Yery much so, general."

"In hope you have not, been roughly the there is the control of the co

In order to be wholly successful a farmer should make his plans a long time in advance of the day when they must be put into operation. The best way is to mature a plan of operation that will require some years for fully carrying out. This brings better regults than the changeable way that become a Monomantac and Murderer.

"It is the, easiest thing in the world to be a crank," said a well-known lawyer.

wapoo of the day when they must be put in to operation. The beat way is to mature a plan of operation that will require some years for fully carrying out. This brings some have, of trying one way this year acid another the next.
