

# August Flower

## A COMEDY OF ERRORS

CHAPTER V.

TANNER EPISODE.

Perhaps you do not believe the statements concerning Greenleaf's "August Flower." Well, we can't force conviction to your head or make incine into your throat. We do want to. The more yours, and misery is yours; and until you are willing to believe, and spend the time for the relief of the other, they will say so. John H. Foster, 1299 Brown Street, Philadelphia, says his wife is a little Scotch woman, very pretty of face and of a naturally good disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit down to a meal but she had to vomit it. Two afternoons many doctors failed to eat anything, and enjoy dyspepsia, she does not even have had it.
