

# "German Syrup"

Minutillville, N.J., Methodists escape. My acquaintance with your remedy, Bosche's German Syrup was made about four years ago, when I contracted a cough which resulted in a hemorrhage from my lungs. I was unable to fill my lungs for a number of months. After trying a number of remedies, I finally obtained a bottle of your remedy, which I used for a few days. It did not cure me, but I thought I would try it again. I took a course of it, and I was cured. I have since used it for various ailments, and it has always given me relief. I have never hesitated to use it, and I have found it to be a safe and reliable remedy. It is a safe and reliable remedy for all ailments of the throat and lungs.
