Pudding in Haste-Have you over been surprised by having company come in just as dinner was ready on a day when you had not provided a dessert? I was so surprised the other day, and I hastily made a pudding sauce, then put the pudding on to boil while we were at dinner!

A simple wreath or geometrical pattern is much in vogue, and it is decorate work in Boston when the Revolutionary ware freely applied to ordinary wares gives to the article at tawdry appearance which is very irritating to the artistic eye.

In-choosing glassware, heavy shapes and the forment rewarded the U. E. Loyalists, showy cuttling should be avoided. There is no stronger ordence of vulgar taste than appearance of vulgar taste than appearance of vulgar taste than are claborately decorated. There is a favorite style at present, without a particle of of manual and grant of the pit I blooked into it, but there was out of the pit I blooked into it, but there was out of the pit I blooked into it, but there was out of the pit I blooked into it, but there was out of the pit I blooked into it, but there was out of the pit I blooked into it, but there was out of the pit I blooked into it, but there was on the carriers that are claborately decorated. There is a favorite style at present, without a particle of of manual are appeared to the greatest orators the Dominion of the greatest orators the Dominion of a few, weeks after his appointment as lieutenant-governor of Nova Scotia. Can adian Magazine

In 1894 or 1895 or 1896 of the pit I blooked into it, but there was out of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it, but there was on the orange of the pit I blooked into it.

In 1895 or 1895 Canada ever produced: 110 died in 1873, a few weeks after his appointment as lieutenant-governor of Nova Scotia. Can-adian Magazine

"Who is that woman over there? She ookn as if she were painted."
"Bir, that "woman is my wife!"
"Pardon me, I hal not finished my sentence. She looks as if she were painted by Raphael, and had just stepped out of the frame."

A Terrible Sufferer From St. Vitus Dance

THE FIGHT AT BATOOHS

Conoral Sir Froderick Middleton gives in the United Service Magezine for January the third instalment of his account of the suppression of the Riel rising of 1885. The instalment is chiefly concerned with the engagement between Gen. Middleton and Riel at Batcoile. On one occasion, after the commy had retired for the night, and the general was quietly shaving himself.
