"German Syrup"

A Farmer at ily. We live in a place where we are subject to violent Colds and Lung Troubles. I have used German Syrup for six years and successfully for Sore Throat, Cough, Cold, Hoarseness, Pains in the Chest and Lungs, and spitting-up of blood. I have tried many different kinds of cough Syrups in my time, but let me say to anyone wanting such a medicine—German Syrup is the best. That has been my experience. If you use it once, you will go back to it whenever you need it. It gives total relief and is a speedy cure. My advice to everyone suffering with Lung Troubles is—Try it. You will soon be convinced. In all the families where German Syrup is used we have no trouble with the children at all. It is the best medicine for this climate.
