M. MITCHELL BROS. & MILLS.  
It will perhaps prove interesting to many STANDARD readers to get a glimpse of the extensive new mill buildings of Mitchell Bros. at Markdale, Holland Centre and Lockport. The first two named points are located on the C. P. R. 5 and 6 miles respectively west of Markdale, while Lockport is on the boundary of the Grand Trunk, 16 miles from Kincardine and 10 miles from Walkerton.

Through the courtesy of Mr. Thomas Mitchell and his son, Mr. Frank Stewart, we had a run through Markdale on Monday last and secured some photographs and information relating to the celebrated "Markdale Mills." The building is a massive structure, one of the largest in the country, and is now in full operation. The machinery is of the latest and most up-to-date character, and the products are of the highest quality.

Mrs. James Howey returned with Miss Norton last week and is visiting under the parental roof.

Messrs. McLean and Watson, of Waterloo Falls, were in the village this week en route for Toronto to attend a temperance convention.
