He don't want to get into hot water with these people, who smooth may by flattering statements, he cares nothing for the publication, what trouble he may be in by complying with the visit.

WHAT OUR EXCHANGES FOR FIFTY MILES AROUND ARE SAYING.

Chronicle, Durham.

Rev. Mr. and Mrs. Jennings were guests at the Middaugh House on Monday night on their way through from Thornbury to Hanover where they will locate. Mr. Jennings has been assigned by the bishop to the charge of St. James Church in that village.

The S. G. Farmers' Institute will dispense with their summer meeting this year. Nor will they give an excursion though that of last season was remarkably successful. So many attractions are expected to be provided during June by the politicians and patrons that the Institute decided to hold aloof.

A perusal of the report presented at the quarterly business meeting of the Methodist church the other afternoon furnishes us with the following statistics of the Durham circuit: membership 250, an increase over last year of 20, infant baptisms, 33, adult 5, marriages 10, burials 12, 2 churches and one parsonage, total value, $6,500, insured for $4,500, net debt $950, raised for Connectional funds, $116, for Circuit purposes, $862 and for Ministerial support $710, a total for the year of $1718.

Mr. R. Fulford, Dan Kenney's good looking head clerk, jaunted over to Markdale and Flesherton this week. No doubt he told each and all of his friends over there that Durham improves upon acquaintance and is a much better town than might be thought by a glimpse of some of its business places.

Reflector, Clarksburg.

On Thursday last as Major Joseph Rorke, M. P. P. and Capt. Edw. Rorke were traversing sideroad 15 and 16, con. 1, Euphrasia, they found a valuable Shropshire ram belonging to Mr. J. V. Miller, lying dead in the road. The animal, which had originally cost Mr. Hewgill $100, had been beaten to death, in the opinion of Mr. Miller.

Base-Ball.

MARKDALE WON THE FIRST GAME OF THE SEASON BY A SCORE OF 35 TO 13.

In the first game of the scheduled matches of the Georgian Bay Baseball League, Markdale succeeded in pitting up 35 runs to Meaford's 13, at Meaford on May 24th. The weather even up to the 24th was almost one incessant rain storm. However the boys were not to be disheartened even by gloomy weather and at 7:30 a. m. set out in their four-in-hand to play their first game of the season. By noon the weather was fine and everything pointed to a good game but, as usual in the first games of the season the score seemed to be creeping up. Markdale virtually had the game all their own way. Hare and Bridget were battery for Meaford, and Pirie and Winlaw for Markdale. Up to the seventh innings Meaford succeeded in making only two runs, off Pirie, but during the seventh some loose fielding was done and their score crept up to 13 runs. Our team and batting order was as follows:—

Hunter, W. H.—1st base.
McFarland, W. J.—2nd base.
Dundas, W. L.—2nd base, Captain.
Lucas, J.—short stop.
Pirie, Jas—pitcher.
Benson, R. H.—right field.
Dundas, Geo.—centre field.
Dundas, Fred—left field.
Winlaw, John—catcher.

OWEN SOUND VS. MARKDALE.

A change has been made in the schedule of the Base Ball League. Owen Sound plays here June 6th instead of June 12th. Owen Sound has a public holiday on the 6th and will run a large excursion down here, so that a very large crowd will see the game. If Markdale play as they did in Meaford on 24th the best game of the season. Owen Sound and Markdale are now on an even footing, for the same team as played Meaford will meet Owen Sound with the probable exception of one man. See posters. COM.

A Eugenia Picnic.

The 24th is past, but fond memories linger. Odd fellows, couples and parties sought pleasure in various places and numerous ways, but perhaps the most jovial company of the day was one that visited Eugenia. Some fifteen or twenty couple determined to spend the day at this favorite watering place. It's not only fashionable but natural for every gent to have a lady, but one unfortunate after driving his coach and two several miles met with disappointment, his love-dove having gone with another. A youth who often drives a sorrel got the start this time. Boston is a goer and easily kept out of sight of the "odd fellow." Rain threatened and wraps were scarce: It did rain a little while at the Falls but then there were cont sleeves around, and some were even galant enough to lend the whole coat. How brave. Refreshments were partaken of after which borrowed dishes were returned and the guarantee deposit refunded. After climbing craggy rocks, beholding picturesque landscape and viewing the beautiful water-fall the return trip was being prepared for, when, behold! What comes whizzing around the corner but the little bay team, and what was even more surprising, the "odd fellow" was mated, a young lady having taken pity on him on the home trip knowing that he was fond of Beatty vegetables. It was a Noble act of that other young man to go back for the girl's hat, oh? A roundabout route was taken and and acquaintances visited on the way. I can't name the hour of their return, but some time before dawn the bay with the white face was seen approaching Markdale and soon after the sorrel team drove through from the eleventh. So ended an eventful anniversary of the Queen's Birthday.

For Health and Comfort
while pursuing the various callings in life it is necessary to get proper rest at night. To this end you should discard the feather bed, at least during summer months. A good mattress upon wire springs such as may be had at Sproule's furniture store, Markdale, at a low price is just the thing required.
Call and see for yourselves.
