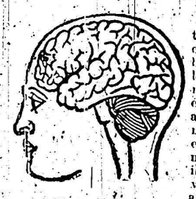
NATURE YIELDS ANOTHER SECRET



It has often been contended by physiologists and men of science generally that nervous energy or nervous impulses which pass along the nerves were only other names for electricity. This seemingly plausible statement was accepted for a time, but has been completely abandoned since it has been proved that the nerves are not good conductors of electricity and that the velocity of a nervous impulse is but 100 feet per second, and is very much slower than that of electricity. It is thought that nervous energy is produced to call nerves a wonderful, a mysterious power which directs life itself.

Dr. Agnew, the consultant specialist, who has studied minutely the workings of the nervous system for the last twenty years, has lately demonstrated that the causes of all our ailments are due to derangement within or at the base of the brain.

Any injury to the spinal cord is serious to the body at the injured point. The reason is that the nervous force is prevented from reaching the part injured.

Dr. Agnew's Cure goes into the stomach and comes in contact with numberless nerve fibres in the walls of that organ and restores the nervous impulse to the nerve centres which control the action of the stomach, notifying them of the presence of food when upon the nerve centres begin the operation of digestion. Let the nerve force in the stomach be weakened and it will not be able to digest a sufficient supply of food, and by the indigestion and dyspepsia appearance. So it is with all other organs of the body, if the nerves which control them in any way become deranged. Of the remedy Dr. Agnew's South American Nervine is the fact that it is the most eminent physician of the age, scientific research on the nervous powers of Nervous Weakness, Nervous Sleeplessness, Nervous Dumbness, Dizziness, Nervous Dance, Mental Depression, Heart Disease, Sexual Excesses, Hot Flashes, Dizziness, etc. It is positively an absolute specific for all nervous troubles. Sold by all druggists.

Dr. Agnew's Liver Pills relieve Biliousness, Sick Headache, Indigestion and Constipation. Dr. Agnew's Cholera Infantum, Diarrhoea, Dysentery, and Summer Complaint relieve at once. Dr. Agnew's Corn Cure relieves in 48 hours. Dr. Agnew's Hair Renewer restores gray hair to its youthful color in 10 days. Dr. Agnew's Rheumatic Cure relieves in 1 to 3 days. Dr. Agnew's Dyspepsia Cure relieves Sour Stomach, Heartburn, Sick Headache, Indigestion, Dyspepsia, Biliousness, Constipation, Dizziness, Nervousness, Headache, Pain in the Side, Back and Limbs, Rheumatism, Neuralgia, Female Complaints, Nervous Prostration, Nervous Debility, Loss of Memory, Impotency, Sleeplessness, Melancholy, Hysteria, Fits, Epilepsy, Nervous Headache, Paralysis, Sexual Excesses, Hot Flashes, Dizziness, etc. It is positively an absolute specific for all nervous troubles. Surgical Operation.—Mr. Samuel Bloomer of the Markdale House staff has had his head bandaged up during the last week. For some months past he has been troubled with a growth on his lower lip and as it has been growing rapidly of late and his medical advisor suspected it might be of a serious nature he had it removed last week. Serious Accident.—On Friday afternoon last Mr. Joseph Fothergill while at work in his his shingle mill near Goring, accidentally got his hand in contact with the saw and sustained a very serious injury. Dr. Ego on examining the wounds found that every finger of the hand was so badly injured as to necessitate being taken off. Accordingly the doctor amputated and dressed the fingers and at last accounts Mr. Fothergill was doing as well as could be expected.
