a mehili position."

Ruth flushed as she answered proudly:

"It is no disgrace to earn one's living as long as it is done honestly. There is no use talking aboust, for I have already applied to Mr. Roselyn."

The elder sister rose and drew her sitken draperies about her tall figure with an indignant rustle.

"Very well, if you choose to disgrace yourself, you shall not drag fine down." I thought, when you told me you were going out as governess, it was bad enough; but this is worse. There is no use in your prating about necessity; for only a while back you refused Henry's offer to take care of father."

The hot blood agaiu sprang to Ruth's chook at her married sister's taunting words, but she answered, gontly:

"Yam sorry you feel so about it, Amy."

As to, our refusing your husband's offer, we could not have done otherwise. You know that father never liked Mr. Maitland, and opposed your marrying him. the selection of the selection of the could me that father never liked Mr. Maitland, and opposed your marrying him. the selection of the county of the could me the three months in the county of the county of the could me the three months in the county of the coun

CHAPTER XXIV. -- A NEW LINE IN "I don't know" said Neil Bathur "You may change your opinion asken that, Rob, when you have heard the whole story; and that I can't tell you now. It would take too much sime, But I will tell you this, there is a slear case of circumstantial evidence, and that

oyolon the house which stindle (nex) for rather is a part of, the building when the murder was committed of 'll glav you some points; and we must contact to have a talk tenight, when all ties study people are in bed,"

You want me to go to the crive said Rob, with a puzzled look.

Where the going to stay here."

"I'm going to stay here."

"Here!"
"Yes, here! If I can't get a thread to follow in this village, I can't get one any where."
"Woll, I suppose I must be Mr. Sral wardine drop for a white. However, I fancy that I possess about as much my formation as he slees at the present memont. He's waiting for simething to turn up for he has got to the length of his tolker. Whith your lay here. Note that it is tolker, whith your lay here. Note it is the guardian of the supposed murdeross. Sheekme to the cut a little less than three menths ago, fresh from this rural dell. Why, less, she arrived the very day that you made your appearance. I was to have not her that evening at Ruthyda's; but sent my research by poor Argebeleit."
"Well, as I told you that marking!

"Well, as I told you that morning! Artoveldt mot his fate that night his Attoyedd mot his fate that night has fate indeed! This fance drawn that night has fate indeed! This fance drawn that night has fate indeed! This fance drawn that you fance it. Austin was not were strict guardian. I wonder it he so night, as knows of the marriage and netrier.

"Don't know. Bit I tell you, obtain your hoad was level when you can here. I guess I can give you somether that you may work out, pickaps! You know, Brady and I arrived here when the soo—why, the night after the mand & Something took me get the the notion that, I had better look a fer Mr. B. seed went down the avenue that meraing, and caught him just leaving the house. I followed him to an office, where there are quired about the trains to Fairie school bought a ticket, then I went to ray quarters, got myself up as an house consus taker and came re one arise taker.

consus taker and come or, one same traine of As I was about to say, a man cash trained into this town, or leave it, which being observed more or less; and it was not strange that I should see Dr. Austin riding opposite me in the same coach that brought me and one game to this district; for he did come on the track hard he came from the city by the same train that brought us."

"Ho did! Then my reasoning was sound?"

"Your reasoning generality is profey

"Your reasoning generally is prefty, sound, my boy. Now, I can tell you a little about Dr. Austin. He is the best and kindost of mon—that's what all the rilliance of the control of the c

villagers think, and I fully coincide with the show. He is in moderately comfortable circumstances and has a fat, jolly little hand wife, who is universally popular. Every one here will swear by 1)r. Austin. These facts I have picked up while circulating about town. Have you seen him?" "Yes; and I think you have hit him off correctly. Nevertheless, I must find the fugitive bride through him. Have you heard any mention of Miss Armen in your rounds, Roll?"

"Well—yes; I have heard a little shrounding submortal Roll, with that peculiar intonation which Neil knew meant. Carwel with something surmorable."

"Rut here we beginn and the first in the something surmorable."

something surpressed. "But here we booking sur-something surpressed. "But here we booking sur-are, Neil; let'schange the subject; and Sir Elferry to-night, if you will be so good as to aterulate an leave the door unlooked, I will give you wearing up
