E. S. Miller, Esq., Sec'y. The P. P. I., St. Thomas, Ont.

Dear Sir,

We beg to acknowledge receipt of Cheque for $3,000 in payment of claim under Certificate No. 7861, held by the late Benjamin Coleman. As the proofs have only just been completed we did not expect payment of claim so soon, it not being due for ninety days. It is, however, unnecessary to say that the promptness and generosity thus manifested by the Company is fully appreciated. The business-like methods of it's management should commend the P. P. I. to all Insurers.

Thanking you and assuring you of our best wishes for the continued success of your Company, we remain,

Yours truly,

CHINA JAPANNED.—The capture of Port Arthur in China by the Japanese is the crowning event of a succession of victories by the Jap's and will doubtless end the great eastern war.

CLUBBING.—The editor of the STANDARD finds that he has plenty to do without looking after subscriptions for city papers therefore is not in the clubbing business this year.

DETECTIVE Murray, of Toronto, brought five witnesses from Clarksburg vicinity to Owen Sound last week, each of whom identified the prisoner Irving as the Hartman & Wilgress bank robber.

On Monday morning last fire broke out in the stables of the Central Hotel, Collingwood, and destroyed the interior of the stable and burned to death seven horses, among which was the celebrated trotter, Dolly C.

ON Sunday night the dwelling-house of Mr. James Scott, Sunnidale township, Ont., was destroyed by fire in the absence of Mr. and Mrs. Scott. Two children, aged four and two years, were were so badly burned that they died next morning.

DRESS MAKING.—E. Hewitt has opened a dress and mantle making business in Geo. Gough's house, opposite P. R. Bradley's residence, Berkeley. The patronage of the ladies in and around Berkeley are respectfully solicited.

KIND READER.—Have you a brother or sister away from home? How could you please and cheer them better than by sending them the STANDARD for a year? It will keep alive the interest in the old home and prove a welcome weekly visitor. Try it.

THE Dundalk Herald says: "Over a ton of fowl was brought into Dundalk on Tuesday of last week, (Nov. 13.) This shows what a large section of country this village is the centre of." Two dealers in Markdale took in four tons the same day, therefore Markdale must be the centre of a very expansive district.

DIVISION COURT.—Division Court of Markdale was held in Haskett's Hall on Thursday the 22nd inst., Judge Morrison presiding. The Docket was unusually light on this occasion. There was only one case of any importance and a few judgement summons. The people in Markdale and vicinity are apparently too well to do, or have too much common sense to indulge in litigation these hard times.

THANKSGIVING WEDDING.—"Springfroon Farm," Kimberley, was the scene of a very pleasing event last Thursday. Miss Vickey Myles, youngest daughter of Mr. James Myles, and Mr. W. E. Coffey, Thornbury, were matrimonially bound by Rev. Mr. Wellwood, Meaford. Miss Sadie Myles, sister of the bride, acted as bridesmaid, while Mr. W. J. Fanson, "Herald" Thornbury, supported the groom. Only a few invited guests witnessed the ceremony. The bride was the recipient of a goodly number of choice presents. The company drove to Markdale, where the happy couple left by the 4.30 train for a short honeymoon trip.

IT'S YOUR FRIEND.—The local paper is a friend to every family in the district whether its friendship is reciprocated or not. When a newcomer arrives at your home the advent is published for a quarter, or perhaps free, while the fact of the immigrant relative having landed barefooted and penniless is suppressed. When you get married, a complimentary notice is inserted, also free gratis: and when you shuffle off this mortal coil, a more or less extended notice of a eulogistic character is looked for by your surviving friends, even tho' you may never have contributed to the support of your benefactor, the publisher of the local paper. The doctor gets a respectable fee for services at both birth and death and the clergyman receives a bank token for tying a knot with his tongue which you are unable to untie with your teeth, while the publisher plods on in his philanthropic mission.

A GOLD watch to be given away. See the photographer's adv.

Mrs. Hollingshead's house is much improved by a new front.

Beau Ideal concert company under auspices of the Citizens Band Friday night Nov. 30th.

MR. JOHN HUNT, of Glenelg, near Traverston, has a notice of interest to stock raisers, in the advertising columns.

Everybody come out Friday night and spend a pleasant evening and by so doing show your appreciation of the band.

DUNDALK is furnishing means for physical exercise and amusement for its citizens by the erection of a curling and skating rink.

THE Beau-Ideal Comedy Co. will give a grand concert in Lund's Hall, Berkeley, Thursday evening, Nov. 20, under the auspices of the Canadian Order of Foresters. Admission 25c.

THE STANDARD extends sympathy to Mr. J. H. and Mrs. Little, of the Advertiser, Owen Sound, in the death of their only son, a bright and promising boy of nearly five years, who passed away on Monday of last week.

ARMSTRONG Bros. received a car load of machinery last week for their new mill and it is being put in position with all possible speed. The whistle will soon be heard and the factory in full operation. More anon.

STOVES! STOVES!—Jackson the Great Implement Man, has added to his ever-increasing business a full line of the WORLD RENOWNED PEARL STOVES, mfg. by The Moffat Manufacturing Co., Weston. Nearly a car load to arrive this week. Come and see them.

THE Mercantile Insurance Co's. inspector was in town on Saturday and settled the claims for the recent fire promptly and in full, $6,000 to the school, $400 for the cooper building, and $2,500 for the loss on eggs. This is most satisfactory to those concerned.

Arrangements have been made to open school in the large hall over Stephen's drugstore and McCullough & Young's bank for the two higher departments and in the Orange Hall for the third, or juniors. The new desks are expected to arrive this week, and if so school will open on Monday.

Mr. John Entwistle of Bellwood, passed through this week from Walters Falls with three of W. J. Shepherdson's noted prize Berkshire pigs, which he had purchased at a paying figure. These fine pigs were sired by Snell's (imp) "Enterprise" a gold-medalist for four successive years at the Toronto Industrial.

WE were in error last week in stating that the school board had purchased desks from McGill & Son of Chatsworth. They have bought from W. Turner & Co., the "Perfect Automatic," manufactured in Preston. This is the latest improved desk, and school boards through the country that require such should consult W. Turner & Co.

CHEESE INTERESTS.—Notwithstanding the depreciation in market values of agricultural products generally, that of cheese keeps up, and this line of industry continues to grow in favor. Markdale factory recently closed up another successful year, as may be seen by the secretary's report in another column.

AN unsectarian system of public school education has been instituted in Manitoba, and the Presbyterian Synod of Manitoba and the Nothwest has adopted a resolution affirming its satisfaction with the same. This is the system of school we require in every province in the Dominion, and the vexed question of separate schools would soon be a thing of the past.

BROKE HIS ARM.—Mr. J. P. Hare, the genial clerk of Holland township, slipped and fell breaking his right arm near the wrist, while driving his cattle to water on Sunday last. This is why the minutes of last meeting of council does not appear in the STANDARD this week. We were pleased to have a call from him on Tuesday, but regret to say that he is thus obliged to accept the situation of (dry) nurse.

CATARRH RELIEVED IN 10 to 60 MIN.—One short puff of the breath through the Blower, supplied with each bottle of Nasal Catarrhal Powder, diffuses this Powder over the surface of the nasal passages. Painless and delightful to use, it relieves instantly, and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsilitis and Deafness. 60 cents. At W. Turner & Co.

GET A COPY.—The Toronto World gave from day to day excellent reports of the recent Moody evangelistic meetings in Toronto, and issued a special edition this week containing these reports from first to last. Copies can be had from W. A. Brown, news agent Markdale, for two cents each. Mr. Moody himself pronounced these the best of the many good reports given by the various dailies in Toronto.

YOUR VOTE AND INFLUENCE, PLEASE.—Markdale Citizens Band has contributed materially to the enjoyment of the residents of village and surrounding country during the past season. They give their time for both practice and open air serenading free, and the least we can do is to give in return a hearty patronage when they endeavor to replenish their treasury by a public concert or otherwise. They have a first class leader in the person of Prof. J. T. Galvin, and have made marked progress under his leadership, but it takes money to pay a competent teacher, so a grand rally is solicited for the entertainment on Friday evening, Nov. 30. Everybody come.

I decided on trying it for her, I must say that I noticed a decided change in my daughter for the better after she had taken only a few doses. The result of using this medicine, she is entirely free from those faint and nervous spells, that is the happy lot of so many girls, and possessed of that life and brightness, that is the happy lot of childhood. I am satisfied it is an excellent medicine for any nervous troubles. My experience has been fully supplemented in the fact that my daughter has also been using South American Nervine for indigestion, weak and nervous prostration, and has found very great relief."

If the patient be man or woman, young or old, South American Nervine is a complete medicine in relation to health. It is a nerve tonic and blood purifier absolutely free from alcohol. A cure is effected by its action to the nerve centres of the system, and science has proved that when those nerve centres are healthy the whole body is healthy. From these reasons failure is impossible.
