ST TORONTO JUNCTION.

Distressing at times as to render her
completely helpless, sapping all her
strength. The best skill of the most
skilled physicians was called into
request, but little Annie steadily
grew worse. Becoming more hope-
less and discouraged as the weeks
went by, Mrs. Joy decided on trying
South American Nervine as almost a
last resort. Employing her own
words she said: "I determined to
give it a trial, although I felt it was
useless."

Today it is all happiness around
that home, for before one bottle of
the medicine had been taken, the
mother tells us Annie commenced to
show decided signs of improvement.
The child has taken three bottles and
has practically regained her natural
health and vigor. There is nothing
surprising in the fact that Mrs. Joy
cannot speak too highly of South
American Nervine.

Much was at stake, but this
wonderful discovery proved equal to
the emergency, and so it does in every
case. These kinds of letters on file
from well-known citizens prove this.
For nervous diseases of young or old,
from whatever cause, it is an ab-
solutely infallible cure.

A Neat Tumble.—A gentleman clad in a buffalo coat and driving a spirited young horse turned out when meeting a loaded team opposite the Standard office on Tuesday last. The cutter struck the crossing leading to Doc. Cunnington's yard and capsized throwing the occupant head first into the snow. He held fast to the lines and sailed through the deep and Marsh-y snow like a saw log while the affrighted steed made off, but was mechanically steered into the ditch on the opposite side of the road and there brought to a standstill. By this time assistance was on hand and things were righted without damage.

Rocklyn Workmen.

On Friday evening last Mr. W. A. Brown, D. D. G. M. of Dufferin District, accompanied by Mr. Edward Rutledge, Master Workman of Markdale Lodge, and ye editor, drove to Rocklyn a distance of 13 miles, to visit the brethren and take part in the institution of officers in that young and progressive lodge. Although organized but a year ago, with only fourteen names, Rocklyn Lodge has now thirty vigorous, enthusiastic members, and bright prospects for adding another dozen before the end of 1895. The interesting installation ceremony was conducted by the District Deputy assisted by Mr. E. Rutledge, and after a pleasant hour was spent in a fraternal manner, the company adjourned to the commodious residence of Dr. Bennett, Recorder, and there partook of a much relished lunch and enjoyed the hospitality of the genial Dr. and his parents. An hour passed here pleasantly during which singing, recitations and music were rendered, and a sociable time spent. Dr. Bennett is a musician of rare ability and gave several selections on his excellent organ which were richly enjoyed. This pleasant drive and enjoyable visit will be remembered with pleasure by the above trio from Markdale.

To-Night.

Forrest-Rennie Concert.

Remember the concert given to-night (Thursday) in Mann's Hall, by Messrs. Forrest & Rennie.

Hear Albert St. Clair Rennie in his inimitable character sketches in Irish and Jewish dialect.

Fred Forrest, the Chicago conservatory baritone, will sing several classic English ballads, and recite several dramatic recitations.

The accomplished pianist, Mrs. Rennie, will preside at the piano. Mrs. Rennie is a graduate of New York Conservatory of Music.

Mr. Rennie is an old New York favorite, who has long enjoyed the patronage of theatre-goers and the public generally in the United States. He has also appeared in several concerts in the neighboring towns and cities. His comic songs and funny stories in the Irish and Jewish dialect are without parallel in this country. Speaking of his work the New York Herald says: "The hit of the evening was the singing in character by Albert St. Clair Rennie. His comic songs took the house by storm." The Rev. Patterson of Dean College said of him at a concert recently in a fashionable church lecture hall in New York, "He is the most refined comedian I have ever heard."

Markdale concert patrons should consider themselves fortunate in securing Messrs. Forrest & Rennie.

Cause and Effect.

Death the Invariable Result of Neglected Kidney Disease.

Lower Jordon Bay, N. S. Jan. 21—The majority of human ailments can be traced, either directly or indirectly, to a deranged condition of the kidneys. Kidney disease may not be suspected for the reason that these organs have few nerves of sensation, and may be even in a condition of advanced disease before the true condition is discovered. Ninety per cent of all diseases may be prevented by using Dodd's Kidney Pills. Samuel Locke's case, which caused such wide-spread interest throughout this province, is a case in point. The price at which Dodd's Kidney Pills are sold places them within the reach of all. They may be procured from all dealers at 50 cents per box or 6 boxes for $2.50. Take no imitations.

Christ Church S. S. Christmas Entertainment.

It took place in Marsh's Hall on Friday evening the 11th inst. The hall was densely crowded with an audience consisting of the parents of the S. S. scholars, friends, well wishers and sympathisers. The program of the evening was indeed an elaborate one, and much pains was bestowed upon its production. It was divided into three parts, but there was a fourth part which gave eclat to the occassion. There was, besides the dialogue and selections by citizens band, a Crying Fan-dy, lastly and the May Pole by eight little tots was charming. The second part which was a sort of a dramatic operata called the "Land of Pie," was executed exquisitively, and showed what ability and training can do. All who took part in it deserve credit, particularly Miss Etta Ford who trained them. The plaudits of the vast audience was proof positive of how much they enjoyed the play, and their appreciation of it. Scene number three was the landing of the boat "Columbus" illuminated and laden with the precious gifts for the S. S. scholars of Christ church Markdale. They were distributed by the incumbent the Rev. M. M. Goldberg and R. D. Bigger, Esq., the worthy superintendent of the S. S. Last but not least, the acme of the whole proceedings. First of all Mr. Goldberg called for Princess Kitty, the Princess Royal in the drama of the evening viz., Miss Maud Ford, and in a few chosen words presented here in the name of the congregation of St. Matthias Church Berkeley, with a Ten Dollar Bill, in recognition for services rendered at the organ of that church. Secondly, and finally, Miss Minnie Lucas, organist of Christ Church, was called upon to listen to the following address:

To Miss Minnie Lucas,
Organist of Christ Church, Markdale.

We, the members of the congregation of Christ Church, in view of the years of faithful service, as organist of our church without remuneration, and fully appreciating your efforts to make the services of our Sanctuary bright and cheerful, in view of this, it was decided to make you a small Present: a token indeed, not to be measured by its intrinsic worth, but by good wishes, personal regard, and the high esteem in which you are held by all the donors of this gift.

This Diamond Ring is a pledge of our sincere friendship to you now, as well as for the future In the signature of our Incumbent we subscribe ourselves to be your true and faithful Christian friends,

M. M. Goldberg, Incumbent.

Dated the 11th of January, 1895.

When the Rev. gentleman presented her with the Diamond Ring.

Thus a bright and happy evening was spent by the citizens of Markdal, which I am sure will be long in the memory of the people who were present. The writer of this ventures to suggest at some near future day to have this drama reproduced.
