McRitchie, a Victim of Chronic Nervous Weakness, Completely Cured After All Other Efforts had Suffered From Nervous Prostration Cured. Hear What the Thank...

As a result of using this medicine, she is now entirely free from those fainting spells and possessed of that life and brightness that is the happy lot of childhood. I am satisfied it is an excellent medicine for any nervous weakness.

Whether the patient be man or woman, young or old, South American Nervine provides a complete medium for restoration to health. It is a medicine differing absolutely from every other. A cure is effected by application to the nerve centres of the human system, and science has proved that when these nerve centres are kept healthy the whole body is healthy.

For these reasons failure is impossible and recovery is certain. The Markdale Standard is published every THURSDAY MORNING at the STANDARD BUILDING, MAIN STREET, MARKDALE.
