OF PARIS, ONT., REVIEW.

doctors and other medicines were

tried in vain.

"I was prostrated with a particu-

larly severe attack of 'La Grippe,'

says Mr. Cowell, "and could find no

relief from the intense pains and dis-

comfort of the malady. I suffered day

and night. The doctors did not help

me, and I tried a number of medi-

cines, but without relief. About this

time I was advised to try the South

American Nervine Tonic. Its effects

were instantaneous. The first dose I

took relieved me. I improved rapidly

and grew stronger every day. Your

Nervine Tonic cured me in a single

week."

The South American Nervine

Tonic relieves the fits forced by its

direct action on the nerves and the

nerve centres, and it is this notable

feature which distinguishes it from

every other remedy in existence.

The most eminent medical authorities now

concede that fully two-thirds of all the

physical ailments of humanity arise

from exhaustion of the nerve forces.

The South American Nervine Tonic

acting directly upon the nerve centres

and nerves, relieves instantaneously

surplus tension with the true nervous

nerve required, and that is why its

invaluable effects upon the whole

system are at once immediate.

For all nervous diseases, for general

weakness arising from enfeebled vital

ity, and for stomach troubles of every

variety no other remedy can possibly

take its place.
