News Chatworth
The postoffice here was robbed some time on Tuesday night, but when and how the robber entered the building is a mystery. The office doors were locked and each drawer was locked and the key of it was in a box in a bedroom upstairs, yet the doors were opened, the drawers unlocked and its inside compartments together with the contents, about \$10 in silver, coppers and stamps, carried off. So far, no clue has been obtained, as 'even the watch dog made no noise, and he usually nearly raises the roof when strangers come round after night. Inspector Hopkirk has been notified and is expected here today.

The fourth quarterly business meeting of the official board of the Methodist church, Markdale, was held in the S. S. room on Monday p. m. last when twenty-five of the officials were present. The total membership reported for the two appointments was 815, a net gain over last year of 46. There was a deficiency reported in the minister's stipend, which is to be made up in a week. W. A. Brown was elected as representative to the District meeting, which will be held next week in Chateaufort.
The following resolution was passed unanimously:
Moved by H. D. Irwin, Esq., seconded by W. G. Pickell, Esq., the third meeting of the Markdale Methodist church next week should be an expression of its appreciation of the faithful service and wholesome practical scriptural pulpits ministrations of our pastor, the Rev. S. H. Edwards, during another year most deserving to a close and also to present him on account of special attention in visiting where sick-ness, want or education is experienced and also in the deep interest manifested in the young people and the work of the Sabbath school; furthermore, we hereby extend to him a hearty invitation to remain a third year.
