

to thank his many

S FALLS

country for their liberal
and also to solicit a
vote of the same.

but I have added a full

of fresh

ERIES

Institutes, also Patent
offices.A stock of fresh fish
will be at 10 cents a
pound.

in Hall of strange Hall

Walters Falls.

e. Skirt Bone

A light pliable Plastic bone made

from goats.

it is soft and yielding

soaking well, to folds, yet giving

spur to the clothes.

The leather Bone Hat may be

worn in its place.

The Calico, Leatherette Corsets

can be made with this material.

Day dresses.

Cotton Root

COMPOUND.

A new compound by Arnold
which is used

widely throughout

London.

is the only perfect

compound.

It is a superior

compound.

It is a superior
