MARKDALE, JUNE 18, 1895.

Priceville.

While assisting at a barn raising on the farm of Wm. Smelly, G. R. Clegelg, Macdonald McDougall, of south line Glenelg, happened with an accident. They had just put the purlin plate up and the spur brace in, when he asked if it was all right, and the answer quickly came, yes; at this he hurried to assist with the rafters and taking hold of the spur brace to swing himself past it came out and down he went from the building to the floor, or timber below. Dr. Hutton was summoned and attended to his injuries. Fortunately no bones were broken, but he injured his leg so that it will be some time before he will have the use of it as before.

Mr. Alex. McArthur and sister left last week for Ohio there to see their sister, who is in the Hospital at Hot Springs.

Messrs. Watson & McLean, masons, have just taken another house to build for Mr. McCullough, near Ventry, Proton. They have now four large houses to build besides one just finished, which belongs to Jas. Watson. They are now on the Manse and will soon have the stone and brick work complete.

Mr. Dan McArthur, son of Mr. John McArthur, gravel road, died last week. The remains were followed by a large concourse of friends and sympathizers to their last resting place in Priceville Cemetery.

Our implement agent, Archy McKinnon, is a hustler at selling implements. Where he can't sell no one else need try.

The brick work on the Butter block will be completed this week, and will look well.

We think that our carpenter, Hector, after the performance he gave on the ladder the other day, should do well on the trapeze.

Tommy—Paw, what is an egotist? Mr. Figg—He is a man who thinks he is smarter than anyone else. Mrs. Figg—My dear, you have that wrong. The egotist is the man who says he is smarter than anyone else. All men think that way.

The lawn social under the auspices of Epping Methodist church at the home of postmaster Shore on Thursday evening was a very pleasant affair. The genial J. W. is a whole host in himself. The receipts go towards building a shed at the church.

Lauriston.

The intense heat and drought seeming to prove disastrous to the crops should it continue much longer.

Quite a number of our young people attended Mr. E. Norris's barn raising Tuesday, also Mr. Thibaudeau's on Friday.

Mr. and Miss Thompson, also Mr. and Mrs. John Walker of Chesley, spent Sunday with Lauriston friends. On Monday they picnicked on Bell's Lake. It is rumored the Lauriston young ladies present had a high time.

Mr. J. Whelan wheeled from Durham Friday to spend Saturday at Nairn Glen How quickly he vanished from the step Sunday night. His reasons are only known to himself.

Our school had to closed three weeks ahead of time, on account of scarlet fever. We hope it may not prove serious, but has been a great draw back to both teacher and pupils as they were busily preparing for entrance and junior examinations.

Reports from Parkhead are that fall wheat is 4 ft. high. They have had a lot of rain which we did not share.

Everything is very much parched here.

Some people are not much given to working for nothing. I suppose the one who broke down Mr. J. Graham's and Mr. John Knott's milk stands thinks someone will pay for it. Such fun is cowardly and unmanly.

Flesherton.

On Tuesday morning of last week several of our citizens were surprised to find that during their hours of slumber burglars had invaded their dwellings. Principal Irwin's bed room was entered and his purse containing $5 taken from his pants pocket. Mr. Ed. Whitten's and Dr. Christoe's dwellings were entered. The thieves were evidently hungry having helped themselves freely to the good things found in the cellars. Dr. Christoe was awake, heard some one moving cautiously and in the dim light saw a form pass his bedroom door but thought it was his daughter. He could easily have surprised the marauders had he suspected a stranger's presence. It is supposed they became alarmed before completing their search. Nothing valuable was missing.

Miss Ottowell, youngest daughter of Dr. Ottowell of Ospray, has been under Dr. Carter's care and in a critical condition nearly six months, but being twelve miles distant it was difficult to give her the attention desirable. On Friday last she was carefully removed from her home there to her sister Mrs. E. Vanzant's here where the Dr. will be better enabled to give her his closest skilful attention, and the many friends of this estimable young lady anxiously hope for her speedy recovery.

Inspector Campbell of Durham and Mr. Gilray, Sr., of Epping were the guests of Principal Irwin Thursday and Friday last.

On Thursday and Friday last we were favored with the teachers of South Grey who convened in the school house in their eighteenth annual meeting. The program throughout was good, of more than usual interest and well sustained. Among the papers presented we can merely refer to those of President Dixon of Bunnessan, on "The origin and phenomenal growth of the institute"; Mr. Bright of Markdale on "vocal music"; Miss Johnston of Flesherton Station on "Esthetic culture"; Mr. Brough of Owen Sound on "vertical writing"; Mr. J. A. Graham of Edge Hill on "the teacher in and out of school"; these were all good. The Rev. Wells, M. A. of Flesherton spoke for upwards of an hour on "Our Public Schools" and by his eloquence and powerful command of English held his hearers in rapt attention. Rev. Mr. McVicar too spoke on the teaching of temperance in our schools, making an eloquent plea for the teaching of the subject in its broadest sense of temperance in all things rather than in the restricted sense of abstinence from the use of intoxicants and narcotics. Dr. McLellan who is well known here and is regarded as a leading educationist on the American continent gave able addresses on "The Psycychology of numbers" and "the teaching of English literature in our public schools." In the evening the Dr delivered a lecture in the town hall on "Moral culture through literature." In his introductory remarks he spoke of the pleasure he always had in appearing before a Flesherton audience and the teachers of South Grey. He had been much pressed for time, but through the irresistable importunities of the Inspector and Secretary he decided to come, and with that eloquence and magnetism peculiar to Dr. McLellan, himself, he held his audience spellbound for an hour and a half, at the close of which Mr. M. Richardson moved in highly eulogistic terms and in like manner seconded by Rev. J. Wells that a hearty vote of thanks be tendered the Dr. for his sublime and inspiring lecture which was heartily given. Our band gave the introductory by several well rendered selections at the door of the hall. Miss Lou Armstrong gave a taking recitation Miss Richardson and Mrs. Blackburn each sang pleasing solos. Dr. Christoe presided also in a pleasing manner and the meeting closed with National Anthem.

A Notable Exception.

A STRONG FEELING IN FAVOR OF A CANADIAN PRODUCT IN THE STATE OF NEW YORK.

SYRACUSE, N. Y., June 10—In spite of a strong sentiment prevailing throughout this state that nothing good can come out of Canada, a feeling is beginning to grow that there are certain notable exceptions and among them is classed the new specific remedy for all diseases of the kidneys and all complaints arising from a derangement of those organs, known as Dodd's Kidney Pills. The medicine has received a thorough test and is being prescribed not only by druggists but by physicians, whose well known reluctance to admit any virtue in a proprietary medicine makes their testimony to its merits still more remarkable.

Wedding at Elm Hedge.

"Montrose Farm," the home of Mr. and Mrs. J. W. Hartman, Elmhedge, was the scene of a very pleasant event on Wednesday evening, 29th ult. The occasion was the marriage of their neice, Miss May Machell, to Mr. W. J. Bowes, of Strathnairn. The ceremony was performed by Rev. Baker of Meaford. The bride appeared lovely in a fawn colored crepe dress trimmed with lace and ribbon. By her side was Miss Mattie Bowes, dressed in a similar colored dress. The groom was supported by Mr. C. E. Hartman, of Meaford. After partaking of the many good things provided the company enjoyed a very pleasant evening. Many beautiful presents were received by the happy couple

Among those present were Mr. and Mrs. Coburn, Owen Sound; Mr. W. Hartman, of New York; Mr. G. and Miss Hartman, of Clarksburg; Dr. and Mrs. Hamill, Miss E. Bowerman, Miss V. Edwards, Mr. and Mrs. A. Douglass, of Meaford; Mr. and Mrs. Foster, Mr. and Mrs. McLoughrey, of Markdale; Mr. and Mrs. Jas. Bowes, of Strathnairn; Mr. and Miss Conn, Euphrasia; Mr. E. and Miss N. Bowes, T. R. Condensed Gleanings.

WHAT OUR EXCHANGES FOR FIFTY MILES AROUND ARE SAYING.

Expositor, Little Current.

The music of about sixty cow bells is probably highly edifying to the ears of a savage; but why a civilized community should have to endure such a clatter we cannot see. A cow by-law on town, and properly carried out, would at least give the citizens a slight rest.

Herald, Dundalk.

DESTROYED BY FIRE.—On Saturday at noon, when the hands of McCuay's saw-mill were at their dinner, they were startled by the cry of fire. On rushing outside they were astonished to see the mill, in which a few minutes before they had been working, wrapped in seething waving flames. The hands and neighbors gathered around and did all in their power to check the devouring element, but this was impossible without proper fire appliances, and in an incredibly short time, the mill was reduced to ashes. The loss is estimated at about $1500, and no insurance. The fire is supposed to have started from the engine-room.

News, Shatsworth.

Last Saturday as Mr. Alex Jackson was driving to Berkeley he met with a narrow escape from an awful death. After crossing what is known as "forty pit crossing" the highway runs parallel with the railway for about 20 rods, and he was on that piece of road when he met the north train. As soon as the train whistled the horse turned quickly and ran back over the road and was just crossing the track when the train struck the buggy and horse, buggy and driver were thrown through the railway wire fence. Mr. Jackson and the horse escaped with a few scratches and slight bruises but the buggy was smashed to atoms. Mr. Jackson fell on a soft marshy place, which perhaps saved him from more serious injury.

Advertiser, Owen Sound

RURAL DEANERY OF GREY.—The last regular meeting of the Rural Deanery of Grey was held at Chatsworth on Thursday, May 30th. The Revs. Graham, R. D. Golding, Jones, Reilly and Ardill were present. Many things in connection with the welfare of the church were discussed and some very practical suggestions were made regarding the progress of the church in the Deanery. Rural Dean Graham desires that all members of the Chapter should take an interest in the work of the Deanery, and impressed upon the members the necessity of attending all meetings if at all possible. The Rev. J. Cooper Robinson who has recently returned from Japan, and Mr. Saito, a native Japanese convert to christianity, were present and addressed the meeting. Their account of the work of the church in that distant land was very interesting and showed marked progress in missionary effort during the last six years. The Rev. Mr. Reilly and Mrs. Reilly entertained the members of the Deanery and added much to the pleasure of the day by their kind hospitality. The Rev. W. G. Reilly was appointed Treasurer of the Deanery and the Rev. J. Ardill Secretary. The next meeting will be held at Shelburne in the month of September.
