

MARKDALE STANDARD.

THURSDAY, JUNE 20, 1895.

Week's Commercial Summary. The amount of wheat sold to Europe is the same as a year ago—49,200,000 bushels.

By a recent decision of the Minister of Marine and Fisheries, legally taken, operators may be held liable for the condition of winter wharves in the United States places the per centage at 73.2 as against 83.2 in May.

Eighteen failures are reported for the week in the Dominion against 30 the previous week. Same week last year the number was 41.

The earnings of Canadian Pacific for the last week of May were \$465,000 a decrease of \$6,000 as compared with the corresponding week of last year.

The feeling in wheat is somewhat easier in Ontario in consequence of lower prices in the States, the result of recent rains. While and are quoted at 16c. to 18.10c in Ontario.

The gross amount of fire risks placed by all companies in Canada last year was \$25,247,428, an increase of \$1,200,000 over the year 1894.

The Toronto market for wheat is quiet again being quiet in outward appearance. There are reports of considerable sales of wheat for both home and export.

Although the market for wheat is quiet again being quiet in outward appearance. There are reports of considerable sales of wheat for both home and export.

Here and There. One of the most perfect pieces of mechanism in the human body is the hand.

There are 225 times as many joints in the hand as in the foot.

Statistics show that the growth of grain crops has been even more rapid than in our own.

Aluminum is now used as a substitute for steel in building up the heels of boots and shoes.

A Spanish musician has devised a system of musical notation by which sharp and flat are done away with.

Five men can easily hold down a lion, but nine are required to hold a tiger.

I will pay you to travel one thousand miles and take a trip over the Niagara Falls Park and Hyper Railway.

It is the best in every respect and scenery can not be surpassed on this continent.

Fallen meteors have not brought a single substance which is foreign to our globe.

"Trant" Why, I haven't been able to make a fire in this fireplace all the winter. It must have saved about five pounds for you just now.

An Athlete who was always talking and sighing for the higher life, married and moved to Chicago a few months ago, where he lives in the "seventh story."

The picture dealers, plan of trying to win the thickest spots of the city, the picture dealer, plan of trying to win the thickest spots of the city.

It is a fact that physician in attendance on our feet? "No, never." "Has he killed your body?" "No, but he has the impertinence to say that my blood is impure, impoverished, and—Washington."

"You have a bad cold," he said. "I have," she replied huskily. "I am so hoarse that if you attempted to kiss me I should never speak again."

"Look here," said the proprietor of the lunch establishment, "this coffee has hole in it." "Well," replied the wanderer, "it is the hole in the pocket which the picture dealer has given me."

CANADIAN NEWS NOTES.

Forty Canadian houses were sold in London on Saturday at an average price of thirty guineas apiece.

The Mohawk Indians will not allow so much as a blade of grass to grow upon the graves of their departed.
