The Big Show, with its world of wonders, coming to Owen Sound Aug. 27, Orangeville Aug. 28, Toronto Aug. 29. It is definitely settled that we are to favor this season with one gigantic confederation, which is the laurel-crowned Solis Brothers' enormous united show. America's oldest, largest, richest and best tented exhibition on earth. This will be Solis Brothers' first visit to Canada, although they have been with the United States, and have met with overwhelming success, as the entire press will justify. Heretofore Canada has been annually visited by one of two big shows, which by agreement have taken this territory alternately, until the death of the original owners, when both of these shows became the property of one firm, and the policy adopted was to "shut out" the other shows. Solis Brothers, and wishing to be outdone, have doubtly increased their tremendous exhibition by re-inventing all that is great, grand and gorgeous, and will present the biggest, the cleanest, the purest and most respectable show ever seen in this city. The date for the appearance of the big show of the world is Owen Sound Aug. 27, Orangeville Aug. 28, Toronto Aug. 29. Special excursions will be run on all lines of travel to the only great show coming to this city this season.

Sunday School Convention

Owen Sound, Aug. 2.—On Wednesday July 31st, the ninth annual Sunday school convention of the Deacons of Grey was held in Owen Sound. At 11 a. m. the Holy Communion was administered in St. George's church; the pastor, the Rev. James Ardlie, officiating. The business of the convention was begun at two p. m. in St. George's schoolroom. The roster of the parish, being the president for the year, occupied the chair, and after opening the meeting with prayer, delivered the annual address. Five original papers were read upon Sunday School work, which were all of a very practical and helpful character. They were as follows: "The Bible class," by Mrs. Kirtland, Meaford; "The Sunday School the ally of the Church," by Miss Parker, Owen Sound; "Children and missions," by the Rev. W. G. Jolly, Chatsworth; "The religious education of Jewish children," by the Rev. M. M. Goldberg, Markdale; "The Church's responsibility," by the Rev. Rural Dean Graham, Shelburne. An address upon the Church catechism by the Rev. D. J. Casswell, Chatsworth, followed. Interesting discussions followed each paper, and many useful points in Sunday school work were brought out. The convention closed at 6 p. m., with the singing of the Doxology and pronouncing the benediction.  
The Women's Auxiliary invited the members of the convention to partake of a very sumptuous tea which had been prepared in a large marquee, and which was thoroughly appreciated by all present. Delegates were present from Yearling, Chatsworth, Durham, Markdale, Shelburne, Waterloo's Falls, Heathcote and Owen Sound. A hearty vote of thanks was tendered the congregation of St. George's Church for the kind hospitality which was extended to all who attended the convention. The clergy present were:—The Rev. Rural Dean Graham, Shelburne; the Rev. M. J. Goldberg, Markdale; the Rev. W. G. Jolly, Chatsworth; the Rev. D. J. Casswell, Meaford; the Rev. H. J. Murphy, Waterloo's Falls; and the Rev. James Ardlie, Owen Sound.  
It was the unanimous opinion of all present that the convention was the most successful which has been held in the diocese. Chatsworth will be the next place of meeting.
