MARKDALE, SEPTEMBER 10, 1905.

**Bachelors' Corners.**  
Death visited this vicinity on the 10th inst. and claimed Mr. Benjamin Wright as its victim. The deceased was 77 years of age and for the past few months has been unable to leave his room. His remains were interred in Mount Pleasant cemetery on the 12th. A memorial service was held in the Methodist church, Holland Centre, on the following Sabbath when the Rev. Mr. Hubbard preached an impressive sermon from Ecc. 5: 5. Two daughters and one son mourn the loss of their father. They have the sympathy of the community.

**Eugenia, Sept. 17.**  
Harvesting nearly all through, threatening rain and grain turning out well. A heavy frost Sunday morning has chilled the crops of some of the potatoes, but as Eugenia is not near so bad with frost as many places a good many of our potatoes are as green as ever.

**Wodehouse.**  
The three-hay is being done here and the grain is a fine yield.

**Maxwell.**  
The Rev. Mr. H. H. Clarke preached in the Methodist church last Sunday morning. He is going to stay a couple of weeks to hold revival services. Mr. C. M. Field spent a few days in Toronto last week.

Harvest is over and fall wheat seeding now in progress. Messrs. Squire, Torrie, Beabrook and some others left on Monday with their teams to assist Murdoch Bros. on a railway contract near Tilsonburg.

**Berkeley.**  
Owing to the scarcity of hay and failure of other crops, the directors of our agricultural society have decided not to hold a fall fair here this season.

**Flesherton.**  
The East Grey Fall Fair to be held here Thursday and Friday next, 20th and 21st, is being looked forward to as the event of the season. The Directors are sanguine about a big show and doubtless their well directed efforts will be rewarded if the weather proves favorable.

**Markdale Public School.**  
To the Editor of the Standard:  
DEAR SIR, Silently yet surely and beautifully our new school house has grown out of the ashes of the old. It is a credit to the contractor, builders and trustees, as well as an ornament to the town and a pride of the community.

**The Central.**  
This famous fair has completed most of its arrangements for '05 and the fair this year will be no novice in the line of previous years.

**Owen Sound Widows.**  
A gentleman in Bruce county, a minister residing over a flourishing congregation near a thousand acres from Tweeswater, advertised for a housekeeper. He was a widower with three children. A charming young Owen Sound widow responded.

**Highest Honors.**  
We are gratified that we have an opportunity to give expression to our honest pride in the high position taken at the Toronto Industrial Fair by our two most enterprising horse breeders, Mr. J. E. Marshall and J. E. Marshall.

**East Grey Fall Fair.**  
The Directors of East Grey Agricultural Society's Fall Fair to be held at Flesherton on Thursday and Friday, the 20th and 21st inst., are making large preparations, and anticipate the largest and best show ever held on their grounds. At great expense they have secured special attractions for the entertainment and amusement of all attendants.

**Lost Two Subscribers.**  
The editor of a weekly journal lately lost two of his subscribers by accident. He inquired of his correspondents, two of his subscribers, to ask if they had any of their respective correspondents, No. 1, a father of twins, wrote to inquire the best way to get them safely over the mountains, and No. 2, wanted to know how to protect his orchard from the myriads of grasshoppers.

**Competition.**  
Never in the world's history has competition in the various spheres of life been as keen as at present. Go where you will, or enter what calling you may, you will find the ground pre-occupied, and perhaps business already over-done. This is the state of affairs everywhere, consequently the outlook seems to be largely a "survival of the fittest."
