ADOLPHE LA BODIE, B.C.L., J.P., OF THE WELL-KNOWN LEGAL FIRM OF
LA BODIE & LA BODIE, MONTREAL.
For four generations this remarkable
family of LaBodie have been promi-
nently identified with the social and pro-
fessional life of Montreal. A long line
of active, intellectual men, whose aspi-
ration to rise to prominence meant
constant drudgery upon the nerve force,
and a tremendous demand for brain
power. Mr. Adolphe LaBodie, B.C.L.,
J.P., has for seven years been
actively engaged in the legal profes-
sion, living, as the duties of intel-
lectual men of this fast growing
city demand, beyond the reserve limit
of nature's force, requiring more of
the nerve centers of the brain than
they can possibly furnish, which
always results in nervous prostration,
dyspepsia, loss of memory, insomnia,
contipation, and stomach evils.
Mr. LaBodie applied to other
remedies for special treatment, all to
no purpose. His attention being directed
to South American Nerve Tonic
was concluded to try it. Result—im-
mediate relief from insomnia, and a
perfect and permanent cure from all
other disorders, with five bottles
of the Nerve Tonic.
