responding date of last year. The visible supply of wheat in the United States and Canada increased 1,064,030 bushels last week, and the total is now 41,832,000 bushels as compared with 78 and 600 with 73,604,000 a year ago, and 63,160,000 bushels two years ago, iWheat affort to Europe 23,810,000 bushels as against 25,280,000 a year ago.

Wheat receipts at points along the Canadian Pacific for the month of September show a great falling off as compared with the same month of 1894. Receipts at Winnipag last month were 1,995,700 bushels, as against 2,961,470 for September last year a falling off of nearly a million bushels. Delay in the threshing and the disposition of farmers. o hold wheat are given as causes for

There were 52 failures in the Dominion last week, compared to 11 dis week before, and 43 in the same week of a year ago. Ontario heads the list with 25, being nearly half the total full result in the control of ninoteen of which had our lowest credit or blank rating. Quebec had fourte it, a decrease of nine from the previous areal, none of which were of any confinercial importance. New Brunswick had two r Nova Scotia and British delimbia one each. None were reported from Prince Edward Island or Manitoba last week. The condition of wholesale trade at Foronto is somewhat improved. In many lines of business, there is an in-crease in the number of orders received: crease in the number of orders fereived; and the general feeling is one of confidence. Prices of the leading staples are very strong. The hotable change this week is the advance in sugars, which is thought to be legitimate, and which has stimulated the demand. Granulated are selling at the thought to be legitimate, and which has stimulated the demand. Granulated are selling at the and sellow at the The energl market is very firm with business fairly satisfactory. Galvanized tin is higher and the general trend in prices counts to be in that, direction. The higher prices for codon goods mentioned last week are tully maintained. There is a moderate demised for wheat from millers and prices are relatively firm at 133c tyste on the Grand Trunk. Offerings are respected farmers being in the prices. The may content in Man toba wheat it only himself by railway facilities.

OUR OTTAWA LETTER

LAURIER'S ONTARIO TOUR AND OTHER TEMS OF INTEREST. Leader on the School Question The Succeeds Sir Richard.

At last, with the nipping and eager October which whistling through the drill sheds and ruks wherein he holds his meeting. Wilfild Laurier has commencmeeting. Wilrid Laurier has comineneed by mission to the Ontarioans. It was at Merridung that the facile Frenchman made his first speech to some four thousand sturdy dwellers in Dundas. Though the county sands Hugo Ross, a Conservative, to represent it in parliament it has many Liberal voters. Consequently, Mr. Laurier's greeting was hearty. No New Pronouncement.

series 30,000,000, cons of shipping annual pand lights 1,800 miles of coast.

Thirty years ago Mr. W. A. Clarke, the Montana mine owner, arrived in that port of the world with a pick over his shoulder and not so, much as a dollar in his pocket. At the present time his fortune is settlmated at from \$20,000,000 to \$40,000,000.

Deputy Attorney-General Kisselberg, of Albaby, has been sent to Niagara Falls, at the request of Governor Morton, to investigate the the charges made by the Mayor of Niagara Falls. Ont., to the offect that American contractors are destroying property by making heavy blasts.

De Brazza's bride who is to accompany him to Africa, is almost, an American. Her father, the late Marquis de Chambrui, was for years a resident of Washington, and his daughter, who was brought up there, has hosts of friends at the American capital.

Peter Crawford, 22 years old, has been asleen in Cleveland, with the exception of a dw hours, for seven months. A little moje than a year ago Mf. Crawford was thrown from a mail wearent was an admirated words as matediatory over a flye hundred and a principle of Bundas must have onloyed the institucy old man. His shibbotch is:—

'All forles are rascals. Turn them out, or they'll ruin you.' I por this text the diam forse here is no perspective to his secondamnations. He was a matediatory over a flye hundred was as matediatory over a flye hundred was a matediatory over a flye hundred was been as over the whole. Teter Crawford, 22 years old, has been salent in Cleveland, with the exception of a few hours, for seven months. A little more than a year ago Mt. Crawford was thrown from a mail waggon in New York, sustaining injuries to his spine, and this, sustaining injuries to his spine, and this, to be blieved, has led to this remarkable.

Sir Richard a Trusty Aide. It was a particularly wheked trick of the Tory newspapers, some years ago to hin that there was little love lost do-tweed Laurier and his leader. The Ott was correspondents of the tovernment progress used to toll how six Richard had beelin ed to atland the Grit caucuys, and how he refused to consult with Laurier on duestions of policy. Some part of those stories hug have been true. Sir Richard never was tractable under the party whip. He is by way of being a free lance. For the moderate Grit, who believes the these never was traceable under the party whip. He is by way of being a free lance. For the moderate (irit who believes that there may be some good even in a Conservative, he almost has contempt. To Sir Richard the hame of Conservative is annathena. I have said that there have been set at rest by Mr. Laurier's have been set at rest by Mr. Laurier's statement at Morrisburg. There the legater of the Liberals told his audience how much the Grits owed to Cartwright's good counsel and advice. "I have had in libra a trusted aide." said Mr. Laurier's good counsel and advice. "I have had in libra a trusted aide." said Mr. Laurier's and the assembled Grits showed his, while teeth in a smile of acquiesconce, and the assembled Grits showed their approval Doubtless Mr. Laurier's anxiety to deny the stories of ill-feeling may be taken in some sort as a proof that at some time all was not harpony in the Liberal caucus room. But, have there my been times when the Minister-initists have had their internecine bickerings? One's memory has not to tange which M nisters of the Crown were shaking their fists in each other's face.

ing their fists in each other's Thoroughly happy families are as fists in each other's face Enthusiastic young gentlemen some of whom the old enough to know much bet

whom the old enough to know much better—are becoming vastly excited over two minic campaigns in Toronto. The Young Liberals and the Young Conservatives both have their annual elections next week, and monor is gloriously plentiful with hudding politicians who handle the funds. The Conservatives have nominated theirs headed respectively by Blomst ed tickets headed respectively by Richard Armstrong, ex-president of the club; and C. C. Robinson a middle aged gentleman, who is a son, of Ontario's ex-houtenant governor. I am told that one of these contracts of the contract of th The blockade of the Armenian churches these cliques, or parties, or whatever you in Constantinople still continues as all please to call them, has a campaign fine the efforts of the Turkish authorities and of no less than three thousand dollars, harge the othe

ronto is a Young Conservative by this time -Said that Mr. Armstrong was a traitor to his party nild to the men in power at

The Young Liberals, though fewer, in numbers, as they needs must be in To-ronto, that hot bed of Conservatism, are indulging in a similarly exciting war-fare. With the Young Liberals there is fare. With the Young Liberals there is not such a plentude of monor, but there is no lack of funds wherewith to pay the fees of and to provide cheering libations for the present voter. And so, one night next week many a cab will be flying through the streets in search of such will be thoroughly filled with gatherings of temporarily likane young gontlemen. of temporarily inkane young gontenne who will sing choruses, fight, mak speeches and raise pandemonium unti-they are, whirled homoward through the

ed from the minds of the sixteen wise men of the Privy Council, and they sleep well o' nights. True, the tircless Tarte tells them in his Cultivateur that he will tells them in his Cultivateur that he will make them announce their policy within the next ten days after the opening of the next session of parliament. But that day is a good three months off, and, moreover, it would never do for Tarts, the duntamed, to usurp his leader's functions as interpellator of the Government.

New Brunswick Election.

Down in New Brunswick Hon: A.
Blair, the leader of the Coalition Gover ment that has been in power for the past four years. Is thing for a return to power. The translatin is being run on partisan lines. Alfred A. Stockton, M. P.P., leads the Conservatives, while Mr. Blair has the Liberals behind him. The Blair has the Liberals behind him. The advices from the province indicate that Mr. Blair rups a strong chance of being defeated. Against him it is charged that he is an opportunist, that he is in politics for what there is in it, and that he formed the Coalition Government because he could not retain near the course. formed the Coalition Government because he could not retain power in any other way. Mr. Blair answers in effect that he is a high-minded patriot, and that Dominion politics should not enter into provincial matters. The New Brunswick Ministers in the Dominion Cabinet do not seem to be worrying very much over the result of the electior. In the House of Commonts fourteen out of the sixteen New Brunswick members are Government supporters. By the re-distribution of 1893, New Brunswick loses a seat, but the Administration neted jufficusty in combining Charlotte and Sunbury. Gilmour, a stardy old Grit, sits for Charlotte-

The Bad on accoount of his victous private life. The same unenviable title was also bestowed upon William I. of

the two Sicilies.
Edward I. of England was Longshanks, on acount of his extraordinary height. He is said to have been nearly 7 feet in stature. Philippe V. of France bore the sama title Ludwig IV. of Garmany and Otto III: of the same country were each designated The Infant. The first ascended the throne at the age of 7; the second at the
