MRS. ELIZABETH CADDY STANTON. THE PRINCIPLE OF EQUAL RIGHTS.

The woman's cause is a cause for which the world has never seen a more noble and self-sacrificing champion...

Her life has been a life of constant struggle and sacrifice for the rights of her race...

She has been a pioneer in the cause of woman's rights, and her work will live on forever...

Her death is a great loss to the world, but her spirit will continue to inspire us...

Her work was not done in vain, and the cause she fought for will eventually triumph...

Her legacy is one of courage and conviction, and it is an inspiration to all who follow...

Her death is a reminder of the sacrifices that must be made for the sake of justice...

Her work was a beacon of light in a dark world, and her spirit will continue to shine...

Her death is a tragedy, but it is also a triumph, for she has shown us the way...

Her work was a testament to the power of the human spirit, and it will continue to inspire...

Her death is a loss, but her legacy is one that will never fade, and it will continue to inspire...
