MARKDALE, APRIL 30, 1906.

AN ENTHUSIASTIC RECEPTION.

Dr. Sproule was the recipient of a most enthusiastic reception on his return Saturday night from Ottawa. The Flesherton brass band was present for the occasion while Markdale and vicinity generally attended en masse at the railway depot where the Doctor was heartily welcomed on his arrival and the band struck up "Home Sweet Home." A carriage conveyed the Doctor together with his wife, and ex-rev. Eugene and the president of the Conservative association of that city, Mr. Thos. Kelly, to the Markdale house headed by a large torchlight procession with the band, and on the arrival of the multitude at the hotel in evening, cheer was given and the members of the band marched in procession and delivered a most address in which he expressed his appreciation of the enthusiastic manner in which they had met him on his return and thanked the Flesherton band in particular for coming over to assist in the demonstration. From here the company adjourned to the Doctor's residence where lunch was served to the band and others. This was the most hearty and exuberant expression of public feeling Dr. Sproule has had in Markdale during his eighteen years of political life, and is very significant at this particular time.

The Duplalkites also, assisted by their band, gave the Doctor a rousing welcome when the train arrived there, and a delay of ten minutes was made by the train for speechifying.

Flesherton.

Principal town of our school, and the so-called principal secretary of the South Grey Teachers Institute, has prepared an excellent program for the next meeting of the Institute to be held in Flesherton on Thursday and Friday May 21st and 22nd. Miss Annie Richardson, a former resident of Flesherton, and now an able teacher of English in the Toronto College of music, has been engaged to assist in the evening entertainment. Miss Richardson's success in Toronto and elsewhere, in view of her ability and no doubt the committee did a wise thing in securing her services, moreover, Miss Richardson formerly spent three years as a teacher in South Grey, having ably filled the position of junior teacher in Dundalk Public School. Mr. Tilley, of Toronto, Model School Inspector will also be in attendance and deliver an address in the evening, as well as assist in the regular work of the convention. Many of the teachers in the district are also giving subjects. Programs are now mailed to the teachers.

The special services held in the Methodist church here for several weeks closed on the 17th inst. resulting in a substantial increase in the membership of the church. In order that all might come together for a social evening and become better acquainted a Friday evening was held in the church on Friday evening last. After refreshments had been partaken of in a sociable manner in the basement all adjourned to the auditorium of the church which was comfortably filled when an impromptu program was rendered, the pastor Rev. Mr. McLean presiding. Rev. Mr. Balfour, of Enniskillen, Dr. Christie, Mr. M. Richardson and Mr. Bell, assisting each other in a most interesting and successful recitation, and Mr. R. Pedlar a clarinet solo; a pleasing quartette was sung by Dr. Mahan, Mr. W. Barnhouse, Mr. W. Sullivan, Mr. G. W. Wickson, and the choir also rendered appropriate selections. God be with you till we meet again. The meeting closed with the benediction. Friday next may the 1st being Arbor and Patriot day, in observance of the

Division Court.

The second sitting of the 8th Division Court of Grey was held in the council chamber on Saturday last, His Honor Judge Morrison presiding. There were a goodly number of cases booked, but the majority of them only required the decision of the judge. There was one, however, of some public importance, viz: between Messrs. Thos. Neely and John Williamson, two well-to-do farmers and respected men residing near Hawkyway, which arose over the trespassing of cattle and also for want of a properly surveyed boundary line between the two farms. The evidence was very conflicting both as to the value of damages to crops and to value of timber taken from that portion of land which a recent survey had changed to the neighbor's property. After carefully weighing the evidence the Judge allowed Mr. Neely \$40 as damages and Mr. Williamson \$15 for timber. A few judgment summonses were disposed of and one or two cases adjourned and the court rose at noon.

And are again prepared to increase the leads this spring

Our stock of new things for the spring trade of 1896 surpasses anything we have ever had before. This business responds to every wish of man, woman or child. The rarest and newest goods are always found here. In values we guarantee to beat the best every time. We have the advantage in buying—being able to import largely every season from the largest and best houses in Europe, buying the Canadian manufactured goods direct from the mills, and continually clearing out lines from wholesale houses at big cuts in prices for large quantities. We are prepared to handle any quantity that the average small store would not be able to handle, and we always sell at the lowest possible price and are selling many lines this spring at about same price that other merchants have to pay for them. We save the middleman's profit nearly every time, and secure at the same time the very choicest selection.

Our phenomenal success is a sufficient guarantee of our ability. We only ask a fair comparison and ask your attention this week to our
