### A Woman's Store

In all the years of steadily increasing business we haven't lost sight of the fact that this is "A Woman's Store" Whatever need, whatever belongs to house keeping and home comfort, whatever is included in woman s sphere of activity we aim a have at the lowest possible price. Lots of other things here but woman's interests come first, for the reason that women are natural born shoppers, shrewd enough to know qualities and values, and careful enough to find out lots of things for themselves. Every possible sate-guard

surrounds business here, together with comforts and conveniences for shoppers. We lift the store above the common level and make it a place where everyone is welcome. Our aim is merely to bring goods and shoppers into right relations and leave the rest to their buying judgment.

Notice is hereby given persuant to the Revised statues of Quitario 1887 chapter 110 that all persuant of the persuant and culture lifts a woman above the common, so the perfect makes the finish of our Dress Goods place the display in advance of any other we know of:
