down to Markdale on Friday of last week toplay the postponed game of the 29th ult, with the team of this town. not start till half-past in order to give the visitors a little time to rest. The weather was in keeping with the players of both clubs, in good shape. At the call of play by Mr. McMaster, umpire, of Thornbury, Owen Sound went to bat and Markdale took the field, with Old man Randle in the box, and W. Dundas behind the bat. In the first innings Owen Sound were fortunate enough to get two men across the plate: but not so with Markdale she having to retire without getting a run. Owen Sound then came in for second innings when she fared the same as Markdale

did in her first. It was seen at this stage of the game that both teams were going to play good ball, excitement ran high, and so they did, for up to the fifth innings there were no more runs scored by either side, but Owen Sound were ound to not be at a stan istill, and in this innings had the good fortune of getting four runs in, thus the score stood 6 to 0 in favor of the visitors. Then Markdale drewthemselves together and visitors score another run, but the game ooked as though our boys were going to le shut out alfogether. . Not so ; in tho eighth she passed three men over the plate and one in the ninth, thus

6 to 4 in favor of the visitors. The playing on both sides was good, and we know our boys never played better ball since they joined the Georgian Bay, League. The spectators were not numerons, but those who were present, nearly velled themselves hourse. Mr. McMaster umpired the game to the sat-
