There is considerable excitement in the neighborhood at present over the case about the cow. The facts are as follows: Mr. B. Scanlan sold a cow, which Mrs. C. Scanlan, Jr., went to get the cow the day before it was to be delivered, they found her. to, their astonishment, in day before it was to be delivered, they found her, to their astonishment, in Mr. Fawcett's barn. They took the cow, and were on their way to Fleshererton Station to deliver her the following morning, when they were arrested by order of 'Mr. Fawcett for theft. Unfortunately the magistrate at the trial failed to see that it was not a case of theft and committed the accused to Owen 'Sound for trial. The Grand Jury them the week art and were the Owen Sound for trial. The Grand Jury threw the case out, and now the constable and Mr. Fawcett are trying in vain to recover the cow from Mrs. Scanlan who has obtained possession in the meantime. This account has taken up too much valuable space already, but I would like to isk a question. Is it fair that a local paper should

On the 30th of July, our second son farold Irwin, was promoted from Earth to Heaven. He was born near Annan, Grey Co., Ont., May 2:st 1891 He died of Diphtheria, at Wideawake, near Indian Head, Assa.; Can., whither the mother and children went on a visit June 15, "to see grandma.". Precion Harold was a general favorite. He was a bright, active, manly, unselfish and very helpful little fellow. We shall miss him through all time. We held a memorial service Sab. morning Aug. 9. The sympathy of the people was very marked. Early in the weel many beautiful "cut" and "wild" flowers were sent their mission to weave our love around the Precious Dust of the faraway and lonely little grave! What Father wills is best. We trus and hope and wait.

They're Knights Now. Police Constables Hamilton, Dent Young and Patterson of Toronto, the stalwart bearers of his Excellency Li-Hung-Chang, were yesterday proscuted with four pretty silver medals sent to the Chief of Police by the Viceroy. The medals are about the size of a silver dollar, and have a double dragon on each side. The presentation was made at police headquarters by Mayor Fleming, and Judge McDougall, Col. Denison, and his Worship all thanked the men for volunteering to do the work. A letter from Edward B. Drew, secretary of the Embassy, stated that his Excellency was pleased to present the medals. Brevets written in French accompanied the medals, and authorize the recipients to wear them.
