Markdale Standard.
C. W. Rutledge, Proprietor.
MARKDALE, NOVEMBER 19, 1906.

Rocklyn.
Mr. Hugh Johnston of Clarkburg, formerly mayor of Sligo, is here on a visit to his son John and Robert.

Berkeley.
Pink social is all the talk. It has been announced that a "Pink social" will be held at the residence of Mr. Wm. Sargent on Friday evening the 24th under the auspices of the Methodist church choir. It promises to be a pleasant event.

Flesherton.
Mr. W. Irwin, who has been principal of the Flesherton public school for eleven years, will at the end of this year step out of the teaching profession to enter journalism having purchased the Durham Chronicle, one of the leading papers of this county, which he will be in possession of the first of January next. Mr. Irwin has not only been a popular and successful teacher but an enterprising and useful citizen who Flesherton regrets to lose. Durham is the winner and we predict for the Chronicle's new editor, that Mr. Irwin's equipment in his present calling has afforded the principal of the Chronicle a salary that will pay here.

Kimberley.
The entertainment given last Friday evening under the auspices of Miss Wright's Sunday school class, in aid of the Methodist Sunday school, was a decided success. The central figure of the evening was Miss Fickell of Markdale, who appeared before a large audience for the first time. Miss Fickell possesses a rarely beautiful voice and with her consecrated talent, we predict for her a grand future. Miss Thurston of Acton, gave two auto-harp solos, which were loudly applauded. Miss F. Fickell of Flesherton gave a piano solo which was also well received. The entertainment was also well received. The entertainment was also well received.

Gray Hair Made Dark.
I read in your paper a statement that Zola Valier would restore any kind of hair to natural color in three weeks. As I was very gray I got for a sample packet and in eight days, and by using Zola Valier, her hair is now a beautiful color. My own hair is now a beautiful color. Zola Valier is a great success. I will send you two cent stamps to Wilson & Co. for a sample packet. I will send you two cent stamps to Wilson & Co. for a sample packet.

Maxwell.
Miss Chappell from near Southampton has been visiting her friends in this vicinity.

Ladner, B. C.
Nov. 10.—We are having some British Columbia weather here lately (rain) but have had a remarkable fine summer. Very good crops, and prices improving. Oats are worth \$18 per ton, wheat \$35 per ton and hay \$8 a ton.

Walter's Falls.
We understand that Mr. Thomas Williscroft is a candidate for county council honors, and we think he will make a very good representative as he has had a number of years experience in the county council.

Household Hints.
Always wipe rubbers perfectly dry after washing the mud off, they will look respectable much longer than if allowed to dry gradually.

Dufferin Fall Assizes.
(Orangeville Banner.)
McDONALD O'HANLEY—This was a breach of promise case, the parties to which had been the plaintiff and defendant were coming and both good members of the Roman Catholic church and therein lay the trouble. The plaintiff, Miss Mary McDonald, stated the engagement to marry was made at a party on Christmas night last. The understanding was that the union was to take place in about six weeks. Everything went smoothly for about four weeks, the wedding garments were ready and nothing to be done but name the day and get the services of the parish priest when suddenly O'Hanley's visits ceased. After waiting some time, she wrote him for an explanation but got no answer. Then she determined to seek him at the legal mill. When O'Hanley learned that legal proceedings were contemplated, he paid her a visit in company with his uncle, Sandy Wilson and tried to convince her that their relationship was in the eyes of the church an insurmountable barrier to the marriage. Miss McDonald thought differently and insisted on a legal redress. She was awarded a verdict of \$200 and costs. Lucas, of Markdale, for plaintiff; McKay, of Owen Sound, for defendant. The plaintiff, who understood worked in Orangeville some time ago, being engaged as a domestic in the Queen's Hotel.

Did You Ever Make Money Easy?
Mr. EDISON I have read how Mr. C. E. B. made a fortune in the hair business and I think I may be able to do so. I have had little experience in selling hair but I have made over \$200 in two weeks, and I think I can do it again. I will send you two cent stamps to Wilson & Co. for a sample packet. Not in It.
With regard to my name being mentioned in the Markdale Standard as a candidate for the County Council, I may say that it is unfounded, and must have grown up in the fertile brain of some busy body.
